POLICIES ISSUED ON ALL APPROVED PLANS

## LIFE INSURANCE

## Ideal Protection.

In the Automatic Endowment Policy, the Great-West Life offer a contract for which there is a wide and increasing demand. The Policy provides an Endowment at Ordinary Life rates, affording protection at low cost but avoiding the payment of life-long premiums. The profits, declared each five years, are compounded at the average net rate earned by the Company, at least four per cent. being guaranteed, until these profits and the reserve equal the face of the Policy, when it is paid as an Endowment.

A pamphlet has been issued, estimating the periods at which the Policy will mature at various ages, and a copy will be mailed on request.
