

actions, suits, complaints, matters and causes whatsoever, and that they and their successors may and shall have a common seal, and may change and alter the same at their will and pleasure, and also, that they and their successors shall be in law, capable of purchasing, having, and holding to them and their successors, any estate real, or personal or mixed, to and for the use of the said Company, and of letting, conveying, or otherwise departing therewith, for the benefit and on account of the said Company, from time to time as they shall deem necessary or expedient: Provided always, that the real estate to be held by the said Company shall be only such as may be necessary for the purpose of building, using and preserving the said Electro-Magnetic Telegraph, and for objects immediately connected therewith.

Proviso

II. And be it enacted, That the stock, property, rights and claims of the said Association, shall from and after the passing of this Act, be vested in the said Corporation, and the liabilities of the said Association shall be the liabilities of the said Corporation.

Corporation substituted for Association.

III. And be it enacted, That the said Company shall have full power and authority to maintain and keep up that part of the said Electro-Magnetic Telegraph already erected and built by them, in such manner and in such places as the same has been and now is constructed, and to complete the same from the said City of Montreal to the said Province Line, and in making or maintaining and repairing the same, or removing the crossing over the River St. Lawrence if found necessary, to take down or remove, replace, renew and re-erect the same in any other part of the public roads and highways of the District, Towns and Villages between the said City of Montreal and the said Province Line, through which the same is carried, to cut down and remove all trees which may obstruct or interfere with the erection or efficient working of

Company empowered to do certain acts and things necessary to the maintenance of their Telegraph.
