You Need Them Both

There are two things you need in your home—one is a bar of *Infants' Delight Soap*, and the other is a box of *Infants' Delight Talcum Powder*. For this soap is unlike the ordinary. We go thousands of miles to the Orient for pure cocoanut oil and bring olive oil from the famous gardens of France. Then they are filtered and boiled after which they go through our secret milling process. Crushed under a weight of thirty tons and passed through heavy granite rollers, the soap comes out in miles of silky ribbons and is pressed into cakes. So you see we give you the best we know—it is simply perfect soap. Ask your dealer for a cake—it's ten cents everywhere.

Taylor's

Infants' Delight Talcum Powder is just what its name suggests—a delightful powder for the baby. The delicate skin of baby is easily irritated by perspiration, but where talcum powder is dusted on smoothly it leaves a delightful sensation of coolness. The perfume is one that baby will like too—it has the delicate fragrance of roses. There is no better powder to use after bathing or shaving. Antiseptic and borated it softens and preserves the skin. Ask your dealer for a box today—twenty-five cents a package.
