This Bank having branches in all the important cities and towns in Canada, as well as in the United States, England and Mexico, is enabled to place at the disposal of its customers unsurpassed facilities for the transaction of every legitimate kind of banking business.

REMITTING MONEY TO FOREIGN COUNTRIES

All the branches of this bank are equipped to issue on application drafts on the principal cities and towns in the world, payable in the currency of the country on which they are drawn (that is drafts drawn on points in France are made payable in francs, etc.).

These drafts provide an excellent means of sending money to different countries.

How are you fixed when goods arrive?

DOES your shipping room present a scene of noisy, bustling disorder? Are you compelled to clog or temporarily paralyse the running of your business by shorthanding your various departments in order to accommodate fresh shipments as they arrive? Or, is it possible for one or two men to take hold and expeditiously, economically and safely—without waste of time or energy—dispose of the goods systematically and in proper arrangement. Your answer depends upon whether or not you use

OTIS FENSOM FREIGHT ELEVATORS

In point of utility, convenience and economical efficiency, your Otis-Fensom Elevator bears the same indispensable relation to modern business as the telephone, typewriter and electric light. It makes for decidedly improved business conditions. It saves labor—it saves time—it saves calling clerks, salesmen or other employees from their regular duties in the store or office. It enables you to keep your ground floor clean and inviting, and to use all of the ground floor space for salesmanship and display. It does away with expensive hand labor and substitutes mechanical facilities that keep pace with the increasing demands of your business.

Send for "Freight Elevators and their Uses."
