Ottawa Nov 19th, 1909

Sir,-

With reference to your letter of the 5th inst. regarding the tract of land at Fishers grant recently purchased from Mr. Jos. Foster, I have to instruct you to ~~to~~ have the survey completed and the plan made by Mr. McKeen providing the cost will not exceed \$50.00.

Mr. McKeen will have to forward vouchers in duplicate for all expenditures in connection with the work. Those for the men whom he employs will have to show the date on which they commenced and ended work. The lot should be connected by bearing and distance with the reserve or some known point so that the Department can establish definitely the position of the lot.
