

Prosecution Closing Address

Containers etc. don't matter. The work left the  
 park without proper authority. There was no  
 emergency. He rode there & just placed the  
 containers outside. That is no emergency. He didn't  
 go to them to find an officer. The charge has  
 been proved.

In the opinion of the Court & J.A. it is not necessary  
 for the J.A. to sum up.
