Sir:-

I am enclosing herewith for your information copy of a letter that has been received from the Deputy Minister of Fisheries, with reference to the experiment of providing Indians of the Interior of B.C., with pink and chum salmon caught and prepared by coastal Indians, from streams where the taking of such fish would not jeopardize conservation requirements, as a substitute for valuable sockeye salmon the Interior Indians take from the streams adjacent to their reserves. Please report.

Your obedient servant,

A.F. MacKenzie.

Secretary.
