

WINGATE'S STANDARD ENGLISH REMEDIES,

THE PERFECTION OF MEDICAL SCIENCE.

It is safe to say that no class of remedies have been received with greater favor throughout the country, or attained better results in the cure of disease than ours. They have stood the test of trial and become a household necessity, and are undoubtedly the best that experience and careful research can produce for the cure of the various disorders for which they are especially designed.

They are not secret remedies, but are prepared with great perfection of skill from formulas which have received the highest recommendations from the most eminent Physicians and Surgeons in all parts of the world. In fact they are just what is claimed for them—a class of *Standard Preparations*, for general use, possessing extraordinary curative powers in complaints for which they are recommended. As such the sick and afflicted can at all times rely upon them with safety, and find relief from pain and suffering.
