### *Another Extraordinary Cure of a Scrofulous Person.*

The following letter we received about the 6th or 7th of February. It is from a lady in Lake Co., Ohio. We are permitted to state that many persons in "Willoughby" are acquainted with the cure.

(COPY.)

WILLOUGHBY, LAKE CO., OHIO, Feb. 2, 1870.

DR. RADWAY: In the beginning, or from my birth, I have had the SCROFULA. I have been a great sufferer from my SPINE, also from gravel, kidney, and ovary tumors, for over THIRTY years. I have had the best doctors, used the most highly recommended, advertised and patent medicines, without deriving the least benefit. I commenced taking your medicines LAST MAY—have taken EIGHT bottles of RESOLVENT, six boxes of Radway's Pills, and three bottles of Ready Relief. (The reader is requested to note this.) I had given up all hopes. I cannot describe what I had gone through; but soon after taking your medicines I felt it was doing me good. It took hold of the parts affected, CARRYING OUT OF ME IN THE WATER WHITE SAND AND BRICKDUST in very large quantities. I have not named all my diseases—Dyspepsia, Liver, and Catarrhal troubles; but I am now so much better that I feel that my prayers to God have been answered. I thank God for your medicines. It is the first that has ever in the least removed my disease, or given me ease. Please send me your medical book, "False and True."

### MINOR CUTANEOUS AFFECTIONS.

In many cases the young of both sexes, who are troubled with simply Pimples, Blotches, and other ordinary skin disfigurements, will find, during the use of the first or second bottle of the Sarsaparillian Resolvent, an increase of the appearance of Blemishes, Sores, Spots, etc. NOW, THIS IS THE BEST SIGN you could wish, as it proves that the Resolvent is separating the poisons, humors, and effete deposits that corrupt the blood, from the healthy constituents of the body, and driving them out of the system through the skin. In such cases the patient should take a few doses of Radway's Pills, to act as a brisk purge—and continue the Resolvent; these pimples will soon pass off, and then you will have a pure, clear, SWEET, and healthy skin, and a

#### *Certificate of Beauty.*

The following letter is from a highly gifted lady, well known in the "circles" of our best society:

LAFAYETTE, Feb. 29, 1869.

I had not much confidence in your SARSAPARILLIAN RESOLVENT. Having been disfigured for the last four months with BLOTCHES and PIMPLES, I resolved, at all events, to try it, and took TWO TEASPOONFULS three times a day, as directed. It is not quite ONE MONTH since I commenced its use. To-day there is not a BLOTCH, SPOT, BLEMISH, or defection of any kind on my person.

Jersey City P. O.

We are receiving frequent letters from ladies acknowledging cures of pimples, unsightly spots, and redness of their skin cured by our Resolvent and Pills. Of these, it will be seen, we have given but few to the public in our various publications. The reason is obvious, as ladies generally do not like to have their names published in this connection.
