'THE REAL THING

IN THIS AGE of imitation Everything in all creation is inclined to substitution; They sell you Jersey butter That never saw a cow, There's lots in a bag of flour That never felt the plow; They take all kinds of dried-up leaves And brand on the package—"tea," They sell you high grade Java That never crossed the sea; They sell you pretty nutmegs That are made of wood, They do the same with everything— Say, "It's just as good." So if you want the genuine, The kind that ne'er grows faint, That'll stick like glue and stand by you, Get ELASTIC CARBON PAINT.
