One of the best forms of
Insurance ever devised is the

EQUITABLE'S Life Income Policy

embodying a

NEW DISABILITY CLAUSE

Under this latest form, if the Insured becomes totally disabled he receives an income for life equal in amount to the income payable to the Beneficiary after his death, any sums thus paid to him being in addition to and in no way reducing the income which the Beneficiary will subsequently receive. It is a form that may fairly be said to sell itself. Insurance salesmen will do well to investigate.
