OBITUARY

THE LATE FATHER DAVIS, OF PERTH.

Kingston, June 30.—Rev. Father Thomas Davis, of Perth, died at a quarter past one o'clock, Tuesday, after a long illness. He was a native of Kingston, and was born on February 5th, 1845, in a house on the lower end of West street. His father, the late James Davis, was an Anglican and his mother (the late Mary MacArrow), a Roman Catholic. In the latter faith the lad was trained. He received his preliminary education at the Christian Brothers' School here. Then he pursued his theological studies at Regiopolis College, Kingston, and at Laval University, Quebec.

In 1868 he was ordained to the priesthood by the late Bishop Phelan. The following year he was appointed parish priest of Madoc, and remained there for thirty years, during which time he was instrumental in having new churches erected at Madoc, Marmora, Queensboro and Tweed.

On July 5th, 1899, Father Davis was appointed parish priest of Perth and held that office till his death. Soon after receiving the appointment, he began his plans for the general improvement of the parish and its surroundings. The presbytery was first undertaken and such a thorough overhauling did it get that it is to-day one of the finest in the diocese of Kingston.

On July 5th, 1899, Father Davis was appointed parish priest of Perth and held that office till his death.

After receiving the appointment, he began his plans for the general improvement of the parish and its surroundings.

The presbytery was first undertaken and such a thorough overhauling did it get that it is to-day one of the finest in the diocese of Kingston.

The grounds surrounding it were beautified, and shortly afterwards he enlarged the Church of St. John the Baptist and built a new vestry, erected three handsome new altars, re-seated, re-lighted by electric light and reheated the whole edifice, besides having it painted and decorated; in all \$14,000 was spent. Such was the activity, zeal and devotion of Father Davis to his church and his parishioners.

After a breakfast at the home of the bride's mother, Mr. and Mrs. Woods left for New York, Atlantic City and other points of interest. On their return they will reside on Devereux court.

ANNUAL PILGRIMAGE

To St. Anne de Beaupre Itinerary of Special Trains

The Ontario Pilgrimage to the Shrine of St. Anne de Beaupre will take place (this year) on Tuesday, July 19th, and the time-limit of tickets has been extended so as to enable pilgrims either to be present at the Shrine on the Feast of St. Anne, July 26th, or to remain longer in Quebec or Montreal according to their fancy. Excursion rates will prevail at all stations of the G.T.R. from Whitby, Lindsay, Peterboro, Haliburton, Mariposa, and all points east thereof, as far as Autoville; and at all stations of the C.P.R. from Myrtle and all points east thereof, including Peterboro, Perth, Manotick, Stittsville, Carleton Place, Brockville, Prescott, Smith's Falls, as far as Chesterville, included. Passengers from Lindsay, Haliburton, etc., will take regular morning train and connect with special at Port Hope, and those from Mariposa, etc., will board special at Whitby Junction. Pilgrims from Toronto, London, Hamilton and other points in Western Ontario will leave Toronto on Tuesday morning by regular Montreal express trains, procure regular tickets as far as Whitby or Myrtle stations on the main lines of the G.T.R. and C.P.R. a short distance east of Toronto, purchase tickets at either of these stations at a cost of \$8.05 from Whitby and \$8.00 from Myrtle, and then take special trains which will be awaiting them and proceed to St. Anne de Beaupre, which shall be reached at 7 o'clock on Wednesday morning.

Exceptionally low rates will prevail at all stations throughout the Eastern part of the province, and tickets will be good only on the special train going, but valid on any regular train returning to any station including Tuesday, July 26th. This means that pilgrims can leave Quebec city by the night trains of Tuesday, July 26th and Montreal by the morning trains of July 27th; but if a stop-over at Quebec or Montreal is desired, it must be so timed as to leave Montreal for a continuous journey home, not later than the morning of Wednesday, July 27th. This time-limit will allow ample time not only for a day at the Shrine, but also for a tour of the far-famed Saguenay and a short visit to Tadoussac or Cacoucia or Murray Bay.

The Director of the Pilgrimage will be in a position to quote very low rates for the Saguenay trip, provided that, at least, twenty-five persons write to him signifying their intention of making it. He will also be very glad to indicate how the most favorable terms may be obtained by parties of ten or more persons starting together to join the pilgrimage from any given point in Western Ontario. If only he shall have timely notification from one of such a party. The pilgrimage will be under the immediate direction of Rev. D. A. Twomey, Tweed, Ont., who will send posters to intending pilgrims. Dining cars will be attached to the C.P.R. special, in which excellent meals may be procured on the journey, and whilst at St. Anne's, for the nominal sum of 25 cents per meal.

THE CHURCH IN IRELAND

(Continued from page 1.)

ority, are of right the inheritance of the nation at large, and should be devoted, however given to the State, to provide in an effective manner, as far as they can go, for the wants of all the people of Ireland in the domain of higher education.

2. "That the practical exclusion of Catholics and of others who are known to entertain popular sympathies from public offices and employment is a flagrant abuse of governmental power, worthy of the worst days of ascendancy and has its counterpart in an enormous and wasteful expenditure of Irish taxation to multiply, and afford them good reason for calling themselves the loyal minority.

3. "That, whereas in addition to their endowments for higher and intermediate education and the great wealth of their Church, amounting to a capital of eight millions, derived originally from the appropriation of Catholic Church property, Irish Protestants have their full share of the State grants for primary, intermediate, industrial school and technical education, it is intolerable that the efforts of our poor people to rebuild their churches, support their clergy, and make some provision for the better education of their children, should be travestied by the champions of an arrogant minority of their allies; and we are strongly of opinion that the more attention that is concentrated on this question the more will the public in these countries marvel at the slender resources on which the Church of the Nation does its work for the great bulk of the people, and the huge endowments that remain to the Church of the few."

4. "That, while we ask for no consideration for Catholics that we do not desire for all others in regard to State, or company, or business employment, and while we utterly repudiate the idea of excluding Protestants or anyone else from any position to which they are entitled on the merits, we consider that the utterly indefensible state of things to which attention is called in the foregoing resolutions is so discouraging to our people, so fatal to effort and enterprise, and consequently so ruinous to the country as a whole, that we think that the attention of the public men and the Press of the country and the full force of enlightened public opinion should be concentrated upon it, until the monopolists are compelled to stand on exactly the same footing as the rest of their fellow-countrymen in public opportunities and advantages."

On Monday, July 4th, while Herbert L. He jumped into the river and after a severe struggle, got him safely to shore.
