by Canadian Farmers.

This Booklet awaits your address

We want you to have this interesting booklet whether you are thinking about saving milking time or not. Simply send postal card and you get it by return mail without incurring the slightest obligation.

LISTER MILKING MACHINE

Certainly you admit it is worth any man's while to learn how to increase his herd and have more dairy products to sell without extra labor. This booklet tells you how: Farmers pay for the Lister Milker out of extra profits. Simple. Anyone can operate. The Lister reputation is behind it. Also ask about the famous Lister Engine. When writing ask for Booklet A 1.

58-60 Stewart St., Toronto

Give them more power

To Control Excess Oil
A special ring for motors that pump oil. Use in top grooves of each piston. In the lower grooves use McQuay-Norris LEAK-PROOF Piston Rings for complete compression—power.

When your engine first shows signs of decreasing power, look to its piston rings. Make sure that none of the gas you buy is leaking past them. Make certain that all your gas is compressed and turned into power. Install the genuine McQuay-Norris LEAK-PROOF Piston Rings. They mean more power.

Their exclusive design insures equal action all around the cylinder wall. That's why they are the only piston rings of their kind. There's no such thing as a Leak-Proof type of piston ring. LEAK-PROOF is the trademarked name of these particular rings—with ten years of severe service back of it. Be sure you get the genuine.

They are made in every size and over-size to fit every make and model of gas engine. Your dealer has them or can get you proper sizes promptly from his jobber's complete stock.
