DUROC - JERSEY SWINE

The earliest established, the greatest prizewinning and most reliable herd in Canada. If you want length, try them. If you want depth of side, the Duroc-Jersey will give it. If you want quiet, easy feeders and good weathers, they have no equal. If you want pigs, get the Duroc-Jerseys, they are the most prolific.

We keep no others. They are quiet, non-squealers, prolific, long, deep and heavy. Just the pig for profit. Write us.

TAPE BROS., Ridgetown, Ont.

TAMWORTH SOWS

Some carrying their first litter and others carrying their second litter. These sows will be sold at cut prices, by writing at once. Also, write for my new Catalogues.

Amalgamation of Ayrshire

Breeders' Associations.

At the last annual meeting of the Dominion Ayrshire Breeders' Association, held at the Albion Hotel on Feb. 10th, 1898, a committee was appointed to meet a committee from the Canada Association of Montreal, at Ottawa, to endeavor to accomplish amalgamation. This was done, and the following minutes explain the result:

On March 10th, 1898, a meeting of delegates from the Canadian and Dominion Ayrshire Breeders' Associations was held at the office of the Central Canadian Exhibition Association, Ottawa, at which there were present from the Quebec Association: Robert Ness, Howick, Que.; David Benning, Williamstown, Ont.; John Martin, Belle Riviere, Que.; Daniel Drummond, Petite Cote, Que.; and F. W. Stephen, Trout River, Que. From the Ontario Association: W. W. Ballantyne, Stratford; Joseph Yuill, Carleton Place; J. C. Smith, Hintonburg; F. W. Hodson, Toronto; and H. Wade, Toronto.

At this meeting it was moved by Jos. Yuill, seconded by D. Benning, and resolved, That it will be to the interest of the breeders and owners of Ayrshire cattle that the present two Ayrshire Associations do amalgamate.

The present financial standing of the two Associations is as follows: The Quebec Association has \$210 on hand, and the Ontario Association, on the 1st of January last, had \$148.49. The Ontario Association has nine directors, a president and vice-president. The Quebec Association has ten directors, a president and vice-president.

The delegates from the Ontario Association explained that by a resolution passed at their last annual meeting, they were empowered with authority to enter into amalgamation, if they thought proper to do so.

The Quebec delegation explained that they would have to report the result of the meeting to a special general meeting of their members, which would be called together specially, after a short notice.

In case of amalgamation it was decided to call the new association "The Canadian Ayrshire Cattle Breeders' Association."

That the number of directors be fourteen, seven from Quebec and eastward and seven from Ontario and westward, and that they choose from amongst their number a president and a vice-president. That the term of office for directors be two years after the first year. That the annual meeting be held alternately in Montreal and Toronto. When held in Montreal the seven eastern directors' term of office will expire and when held in Toronto the seven western directors' term of office will expire.

The annual meeting to be held in February of each and every year.

After due consideration the following plan of registration of animals and printing of the Herd Book was adopted, viz.: "That a new Herd Book, to be called the Canadian Ayrshire Herd Book, be started, commencing with the next to the highest number in the volume of the Quebec book now in print, and that the pedigrees of this book be abbreviated, giving only the sex, color, age, sire, grandsire, dam and sire of dam, and that they be numbered consecutively, irrespective of sex, then quoting as foundation stock the names and numbers of their sires and dams from either the Quebec or Ontario Book, where the rest of the pedigree will be found, thus doing away with the necessity of reprinting the pedigrees that have already been printed, and leaving the volumes already printed of as much value as heretofore.

The standard of the new book to be as before, that no animal be accepted that cannot trace to imported stock from Great Britain, on side of both sire and dam. Animals imported after Jan. 1st, 1899, must be recorded in the Scotch Herd Book to be eligible for this. That the fee to become a member be \$2 per annum. Becoming a member entitles each member to a volume of Herd Book, as well as to reduced rates of registration.

Fees to record an animal under two years of age as per Herd Book with certificate to a member, \$0 75
Fees to record an animal, etc., to a non-member, 1 25
Fees for a transfer certificate, duplicate certificate, each, 25
Fees to record an animal over two years, to a member, 1 00
Fees to record an animal over two years, to a non-member, 1 75
Fees for an extended pedigree, 25

It was resolved, That the new books be edited by the Secretary at Toronto, who will pass on and issue pedigrees, under rules furnished by the Executive Committee, and correct proof, for a fee of 35 cents per pedigree, and 10 cents per transfer or duplicate certificate. Also, that the Secretary be appointed at Montreal at such salary as the Executive Committee shall think fit to allow.

It was moved by Jos. Yuill, seconded by F. W. Hodson, and resolved, That all pedigrees that were allowed into the different books by an arbitration, that cannot be clearly traced, be suspended until additional information be obtained by the following committee appointed for the purpose of investigating and finally deciding whether these pedigrees can be accepted for the new book or not. This Committee consists of Messrs. R. Ness, D. Drummond, and H. Wade.

It was also finally resolved, that the two Associations shall amalgamate on the basis of the resolutions as above. That the present directors of each Association be the directors of the Joint Association for 1899, and till the next annual meeting in February, 1899, which shall be held in the City of Montreal; also that the president of the Quebec Association be president and chairman of the Joint Association, and the vice-president of the Ontario Association be the vice-president of the Joint Association, and that the present Joint Committee be the Executive Committee for the Joint Association up to that date.

It was also resolved, that the unprinted pedigrees of the Ontario Book be printed in the first part of the new volume in the same manner as before to prevent confusion in numbering, and that the fifth volume of the Quebec Herd Book, now being printed, be also accepted as a part of the series. It was also resolved that back

TAMWORTHS UP-TO-DATE.
