## GOSSIP.

ANOTHER CLYDESDALE IMPORTATION.

T. D. Elliott, of Bolton, Ont., has lately arrived home with his 1911 importation of Clydesdale fillies, totalling 33 head; 13 Clyde stallions, 13 Clyde fillies, 6 Percheron stallions, and 1 Shire stallion. Of the shipment the Scottish Farmer says they were a particularly high-class shipment, personally selected by Mr. Elliott, who kept close to the type of low-set, thick, strong, heavy horses, which are always the most durable. Many Canadians interested in the Scotch, English and French draft horses are familiar with the high-class character, quality and breeding of Mr. Elliott's many past importations, and we will suffice it to say that in this lot, from the Canadian standard of popular breeding, big size, quality of underpinning, and true, straight action, they are away the best lot he ever imported, and will compare favorably with any lot ever imported. The fillies are an extra good lot, and remarkably well bred. Ten of them are two years old, two are three-year-olds, and one a yearling. Several of them have won many prizes in Scotland, including championships. Many of them are in foal to such renowned horses as the great Everlasting, the famous Silver Cup, the Royal and Highland first-prize Prince Shapely, the noted breeding horses Silver Inch, Baron Archie, etc. Many of them have four and five registered dams, sired by such great horses and noted sires as the richly-bred son of Baron's Pride, May King, the popular premium horse Crossrigg, the well-known sire of champions Sir Humphrey, the noted prizewinner Allendale, the Cawdor Cup champion Memento, etc.; and dams by the great champion Prince of Caruchan, the unbeaten Everlasting, the noted champion Prince Alexander, the champion sire and noted winner Baron of Buchlyvie, etc. No better bred fillies were ever landed in this country, and certainly no better lot of individuals. Among the Clyde stallions are such good and well-bred ones as the bay three-year-old, Ever Sure, by Everlasting, dam by Fortune Still. He is a colt of outstanding qualities, being big in size, with great character, and stands on faultless underpinning. Another three-year-old is the black, Blacon Again, by the renowned four-times winner of first at the Highland, Pride of Blacon, dam by the ever popular Up-to-Time, grandam by Darnley's Last. This is most excellent breeding, and with it is four registered dams, and a colt of big size and abundance of quality. Another three-year-old with five registered dams is the bay Elderslie Patriot, by the Glasgow Premium horse, Clan Chattan, a grandson of Prince of Wales, dam by the noted Royal Alexander, grandam by Royal Signet. He is a particularly thick, smooth horse, of splendid quality. Among the two-year-olds is the royally bred Prince of Cardow, by the noted son of Hiawatha, Arnott's Heir, dam by the champion Prince Thomas, grandam by the champion Baron's Pride, great-grandam by Macgregor. With such breeding as this is a flashy show colt of smoothness and quality. Another big, extra good two-year-old with five registered dams is Thomas Pride, by the noted Highland winner, Pride of Blacon, dam by the champion Prince Thomas, grandam by Sir Everard. Those mentioned are only representative of the splendid individuality and breeding of the lot. Parties interested will not be disappointed on visiting the stables. The Percherons are four two-year-olds, one three-year-old, and one yearling, blacks and grays. They have big size, draft character, lots of quality, and are particularly good at the ground, big feet, nice, sloping pasterns, and clean, flat bone; a lot that will please intending purchasers. The Shire is a bay two-year-old, of great size, and measuring fully up to the Canadian standard for clean bone and quality, a show colt of a high order in this country. He is Lea Castle Gay Boy, by Bramhope Gay Duke, dam by Barbbery Prince William.

Conductor—"Did you get out and stretch your legs when we stopped at the junction?"

Passenger—"Well, not exactly; I went into the dining-car and had them pulled."
