Gossip.

Two yearling Holstein bulls are advertised in these columns by Thos. B. Carlaw & Son, Warkworth, Ont. These bulls are good individuals, and are out of heavy-milking cows of the deepest-milking strains. The price is right. See the advertisement, and write Messrs. Carlaw.

A very successful sale of Shorthorns was that of Thos. Stanton, at Glen Ellyn, Illinois, on June 3rd, when 46 head sold for an average of \$550. The bull, Browndale Sultan, went to James Yule, of Manitoba, at \$2,000, and the same buyer bought Imp. Fair Star 2nd, at \$1,675. Anoka Farms, Waukesha, Wis., took the show heifer, 78th Duchess of Gloster, at \$1,980. Roan Sultan went to R. R. Waid, of Illinois, at \$1,050, and Mitchell Bros., Burlington, Ont., secured Queen Mildred, at \$710.

The Thoroughbred Studbook of France is now to be recognized by the United States, provided that no animal or animals registered in the French Thoroughbred Studbook shall be certified by the Secretary of Agriculture as pure-bred unless such animal or animals trace in all crosses to animals registered in the General Studbook of England, or to animals which are proved to the satisfaction of the Department of Agriculture to be of the Thoroughbred breed, and to have been imported from the country in which the breed originated.

LAST CALL FOR SPRING GROVE SHORTHORN SALE.

A few of the choice animals included in the great Shorthorn sale to be held at Ilderton, Ont., June 25th, have been noted. Four from the Springhurst herd of H. Smith, Exeter, Ont., are worthy of mention. Vanity 19th is a fifteen-months-old red-roan, by the Cargill-bred bull, Royal Commodore, whose breeding was given in some Gossip of the Springhurst herd in our issue of June 5th. This heifer is one of the deep-fleshed sort, is smooth to a turn, and is a well-grown, breezy comer. It might be mentioned that calves by Royal Commodore beat Carpenter & Ross' International winners in 1911. This heifer is the right kind, bred right. Pirene is a big, red two-year-old Pineapple, by Royal Lad sired by Mildred's Royal, a Watt-bred bull, now at the head of the Gier herd, Grand Valley. She is bred and safe in calf to Blarneystone, the grand young bull by Mutineer, junior champion at Toronto in 1910, and winner of many prizes in the West. This is a big, strong, level heifer, and has milking propensities of the highest order. Rose of Strathleven is a grand, deep, wide, straight-topped, fleshy three-year-old, due to calve in July to Blarneystone, a Butterfly bull. She has breed character galore, is low-set, and one of the best of the Springhurst herd. A Rose of Strathallen, by Gold Drop, her breeding is all that could be desired. Erina is a five-year-old red cow, in calf to Ben Wyvis, a former champion, and considered by Mr. Smith to be the best breeding bull ever used in his herd. She is out of Dairymaid, by Missie's Baron, a bull of the old reliable Cruickshank-Mayflower tribe, is a good milker, a very useful cow, and has already produced two very fine calves. Clipper of the Manor 7th is one of the best of the Spring Grove herd, a roan, and a winner at Toronto as a calf. She is a Cruickshank-Clipper, which must not be overlooked. She is by Proud Gift (imp.), sire of the junior champion heifer at Toronto in 1907. She is a level, thick, good-breeding cow. Orange Blossom 6th =93296= has for dam a cow which made 25 lbs. of butter in 7 days. She is by Cyclone (imp.), and is a good dual-purpose type, out of an imported dam by the Duthie-bred bull, Scottish Prince. Lady Monarch =76672=, with calf at foot, is a fine roan heifer, by the Marr-bred bull, Chief Ruler, and out of Monarch's Lady, by the great breeding bull, Gay Monarch (imp.), which did so much in making the Robbins herd. Those mentioned are representative of the entire offering. Don't forget the date, June 25, at Ilderton.

You won't be a "lucky" dairyman till you get an IDEAL GREEN FEED SILO

The "lucky" dairyman is the man who takes advantage of every opportunity to increase his milk or cream production without increasing his feeding cost, and who leaves no stone unturned to make every cow he owns produce the last cent of possible profit.

That's the kind of "lucky" cow owners you'll find with Ideal Green Feed Silos on their farms. They know that a good silo pays for itself the first year and after that is all clear profit.

If you don't know why send for our free Silo Book which contains much valuable information about the erection of silos and the advantages of silage.
