### At Qu'Appelle Fair

IN conversation with a representative of FARMER'S ADVOCATE who visited the above exhibition, we were advised that one of the exhibitors of stock there showed him a splendid young filly that had been badly cut by barbed wire and nicely cured by using Dr. Warnock's Ulcerkure. He stated he kept a number of horses, and has some cut by wire nearly every year, and would not be without ULCERKURE. Nor should any person without animals be without it.
