FIRE AND MARINE NOTES.

Wesley Palmer was arrested at Picton, on Tuesday, on
suspicion of having set fire to the barns of S. Shammie, an
Armenian.

Miss Sarah Taylor, of St. John, N. B., was badly burned
at her home recently, the fire being caused by an exploding
kerosene lamp.

The Strathcona Fire Insurance Company has received
a Quebec charter. It has an authorized capital of \$500,-
000.00, \$300,000.00 of which had been subscribed and \$45,-
000.00 paid in cash. The company's head office is at Pierre-
ville, Que.

The Insurance Superintendent for New York, is show-
ing much activity in connection with mutual or co-operative
fire insurance concerns. Such companies, it appears, are not
to be allowed to operate quite so freely as has been the case
in the past. "Lloyds" associations were numerous and ac-
tive for a year or two before he took charge, but his advent
has forced an enormous lessening of their lines. There are
60 mutual or co-operative companies doing business in New
York, most of them operating in only one county, charging
an advance premium. Also, says Mr. Hotchkiss, there are
110 associations including granges, a majority of which
collect assessments to cover losses and expenses. All such
concerns may now expect to be called upon by the insurance
department of New York to make known their methods of
conducting business to a degree unknown hitherto.
