ENCOURAGE HOME MANUFACTURE.

New Boot and Shoe Store

We have just opened in the store lately occupied by C. R. THOMPSON, No. 166 Granville Street, next door South of the LONDON HOUSE, a splendid Stock of

BOOTS and SHOES, AT THE INDUSTRIAL SCHOOL,

The greater part of which have been MANUFACTURED BY OURSELVES, Expressly to suit the times, showing the purchasers the very best value for the smallest amount of money—and feel certain—that we can give better value than any house in the trade, in support of which, we call the attention of the public, to some of the advantages we possess.

FIRST—We make our Staple Goods by HAND at the INDUSTRIAL SCHOOL, and are thus able to produce a much better article than those made by machinery.

SECONDLY—By making our Goods and selling them ourselves, you buy them first hand, hence you have only to pay for the material and one small profit.

THIRDLY—As you buy from the maker his responsibility to you is greater than if he had purchased the goods of another and was selling them again.

If the style and size of the boot does not suit, you can have them made at a trifling additional cost. We sell for CASH and cash only to keep strictly to this we cannot send out for approval, all parcels being paid for before they are sent.

Should they not suit we will return the money. Consequently the cash buyer is not compelled to pay those bills that are lost as the result of the CREDIT SYSTEM. These with many other advantages we could mention warrant us we think in reasserting that we can give better value than any house in the trade.

COUNTRY MERCHANTS who buy in small lots for Cash, would do well to give us a call before purchasing elsewhere.

FISHERMEN'S and MINER'S BOOTS a Specialty. Remember the place

McCALLUM'S COMPOUND GENTIAN & TARAXICUM BLOOD AND LIVER BITTERS.

This valuable preparation combines all the medicinal virtues of those articles which the leading Physicians and Chemists of the day have proved to possess the most safe and efficient alterative properties for the cure of Liver Complaint, Dyspepsia, Indigestion, Kidney Complaint, Costiveness, Piles, General Debility, Loss of Appetite, Faintness of the Stomach, Pains in the Side and Back, Scrofula, Ulcers, Mercurial affections, and all disease originating from impure Blood and diseased Liver and Stomach.

TESTIMONIAL. We have seen and used in our practice the prescription for McCallum's Compound Gentian and Taraxicum Bitters, and can recommend them as a good tonic and alterative, which may safely be used as a family medicine in cases of illness arising from sluggish liver and impurities of the blood.

McCALLUM'S GENTIAN AND TARAXICUM BLOOD AND LIVER BITTERS, PRICE \$1 per bottle. Also Put up in boxes, sufficient to make Two Quarts of Bitters, which will be sent by mail to any address on receipt of \$1. Directions for making are enclosed in each box.

Notice.—It is claimed that these Bitters are superior to anything before offered the public, for the reason that they are made from a prescription recognized by nearly all Physicians to be one of the best known purifiers of the blood; and that the Bitters usually offered the public are composed mostly of cheap whiskey, while the Gentian and Taraxicum Blood and Liver Bitters are composed of roots and plants most used by Physicians in their practice and can be made by any person (see enclosed accompanying each box) and only enough spirits added to keep them from spoiling.
