AYER'S AMERICAN ALMANAC is now ready for delivery by the druggists, and we are free to say hat we have read this welcome visitor with satisaction and profit. It contains an astonishing, tamount of information which is useful to everybody fand shows how to treat nearly all the diseases from which people suffer. It invariably recommends the best remedies to be employed, irrespective of Ayer's Family Medicines, and furuishes, indeed, the best medical advice by which a great majority of ailments can be treated successfully. The anecdotes, witticisms and jokes are the best compilation that comes under our notice, and the book is a refresh.

THOMAS' ELECTRIC OIL!

WORTH TEN TIMES ITS WEIGHT IN GOLD. DO YOU KNOW ANYTHING OF IT? IF NOT, IT IS TIME YOU DID.

There are but few preparations of medi cine which have withstood the impartiajudgment of the people for any great length of time. One of these is Thomas' ECLECTRIC OIL, purely a prepration of six of the best Oils that are known, each one possessing virtues of its own. Scientific physicians know that medicines may be formed of several ingredients in certain fixed proportions of greater power, and producing effects which could never result from the use of any one of them, or in different combinations. Thus in the preparation of this Oil a chemical change takes place, forming a compound which could not by any possibility be made from any other combination or proportions of the same ingredients, or any other ingredients, and entirely different from anything ever before made, one which produces the most astonishing results, and having a wider range of application than any medicine ever before discovered. It *Early Days contains no alcohol or any other volatile liquids, consequently loses nothing by evaporation. Wherever applied you get the benefit of every drop; whereas with other preparations nearly all the alcohol is lost in that way, and you get only the small quantity of Oils which they may contain.
