Labatt's India Pale Ale

Is an excellent nutrient tonic. Physicians desiring to prescribe will hardly find anything superior to this.—*Health Journal.*

"We find that the Ale uniformly well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste likewise was always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—*Superintendent of large United States hospital.*

THE SOUVENIR

Queen of Cooking Ranges

\$155 IN PRIZES

for those who can best tell the story of SOUVENIR Stoves. Write for particulars.

The testing point with a kitchen range after all is its ability to cook well. In some respects all ranges are alike, but the good housewife knows the difference when she starts cooking. Here

THE SOUVENIR WITH AERATED OVEN

climbs with a jump to the top. The natural flavour of the foods, which is completely lost often in the cooking with ordinary ovens, is retained with all its richness when the cooking is done in the aerated oven of the perfected Souvenir.

We have published a little booklet that tells why the aerated oven cooks food as no other oven can. We are offering \$155 in five distinct prizes to those who can write the best essay describing the Souvenir stove in general and especially the advantages of the aerated oven. You can have one of these booklets for the asking from any of our agents anywhere in the Dominion or from us direct; and these same agents will be glad to give you circular setting forth particulars of this essay contest, and furthermore, show you personally the strong points of the Souvenir, especially of the aerated oven.

We would like you to be one of those who will write in this contest.
