Prof. Morrison of Queen's University has been very Highly Honored

PARTY LINES ONLY

Dr. J. C. Connell, Dean Queen's University is Recovering from Illness

Prof. Morrison, Kingston, Ho

It is with great pleasure that we To Manage Valve Company are able to congratulate Prof. J. L. William Casey and William Harty, Morrison on his recent election to Jr., have taken over Angrove's garthe Royal Historical Society. This age on Queen street, Kingston, and election incidentally entitles him to put the initials of a Fellow of the Society after his name, but it is also a mark of distinguished place in historical scholarship. The honor is almost unique for a Canadian—BOY AND GIRL of the two or three Canadians who share this distinction with Prof. Morrison.—Queen's Journal.

New Steamship Coming

The Canada Steamship Lines in tend to place a monster passenger boat in commission on Lake Ontario as soon as it can be built.
