Already the New Wall Papers Are Going

Since the very day we opened our Wall Paper Department we have enjoyed remarkable business. There have been reasons for this, and one very prominent reason has been the fact that we purchased in Trading Company's usual method—in large quantities and immense varieties. Not only this, we purchased from the manufacturers direct, thus eliminating all middlemen's profits and laying wall papers down at the doors of our customers in Regina cheaper than had ever been done before.

Whether you care to buy wall papers or not, we should like you to come and see our stock. It is one of the pleasures of shopping at this store, you are entitled to be shown anything in stock whether you buy or not. It is yours to see and choose; it is ours to see that you have the opportunity. Feel free at all times to come in, ask questions and let us show you our paper stock.
