To get rid of the bad breath, the sickening discharges from the nose, throat, the loss of smell and taste, etc., such ingredients as Thymol, Wild Indigo, Oil of Eucalyptus, etc., must be used. Dr. Shoop's Catarrh Cure depends upon such healing agents as these in combination with other antiseptic specifics. These are then incorporated into a soft, soothing and healing imported petroleum jelly secured in Europe. When applied to diseased mucous membranes it acts like magic, clearing up those revolting diseases promptly and with a marked sensation of comfort. Sold by C. H. Gunn & Co.
