Then, with their swords above their heads, they attack which would fall on them upon every side and strike all the sentient life out of them before the sun should game. With a yell as of wild beasts in their famine the Arabs threw themselves forward, the chief himself singling out the "fair Frank" with a violence of a lion flinging himself on a leopard. One instant longer, one flash of time, and the tribes pressing en them would have massacred them like eattle driven into the pens of slaughter. Ere it could be done a voice like the ring of a silver trumpet echoed over
