

IS THE PICTURE OF HEALTH NOW

Dartmouth Woman Gets Rid Of Indigestion and Gains Twenty Three Pounds

The story of how a young wife, who for four years has been a martyr to indigestion and its attendant evils, has been restored to perfect health and strength again, is one of the most pleasing which it has been our privilege to publish. The following statement was made by her husband, Mr. Edward Ford of 34 North street, Dartmouth, N. S., who is employed by the Imperial Oil Co., in Halifax, a few days ago.

"This is the seventh bottle of Tanlac that I have bought for my wife, and I am more than gratified with the results. It may seem hardly credible but nevertheless it is true, that she has actually gained twenty-three pounds in weight and is in better health today than she has been for years.

"For four years now she has been a sufferer from indigestion and stomach trouble. She was never able to eat a meal without being in misery for hours afterwards. She had to force herself to eat in order to live, but whatever she ate only caused her pain and distress. She was also subject to severe sick headaches, and her nerves were so bad that she could not sleep at night, but would wake up every few minutes and many a night would hardly close her eyes at all. I am safe in saying that she hasn't known what it was to be really well for a single day during the past two years, and for over a year now she has been in such a weakened, run down condition that she has not been able to do her housework and was only just able to keep up and about. She had fallen off until she only weighed a hundred and one pounds and was almost a wreck.

"None of the many medicines prescribed for her ever seemed to meet her case, and at last in sheer desperation I decided to give Tanlac a trial. Its effect was immediate and indeed truly marvelous. The indigestion and stomach troubles were soon overcome. Before long she had a keen appetite and found that she could eat meats fruit or vegetables without having to suffer from it afterwards. Her nerves have got steady and strong and she can now sleep fine. As I said before, she has gained twenty-three pounds in weight, and is so much stronger that she can now do all her own housework. To-day she is the picture of health, and I have to thank Tanlac for it."

Tanlac is sold in Hartland by Estey & Curtis Co., Ltd., in Grand Falls by Wiley Drug Co., in Bloomfield by E. L. Field and by the leading druggists in every town.

HARTLAND'S BIG VICTORY OVER FREDERICTON Y.M.C.A. TEAM

Score Was 18-5—Hartland Doing the Heavy Hitting and Fredericton Making the Most Errors

(Fredericton Mail report)

Hartland and Fredericton Y.M.C.A. gave a terrible exhibition at the trotting park Thursday afternoon. The visiting team won 18 to 5. There was enough hitting for two or three games, and sufficient errors for more than that. Hartland had the heavy end of the clugging and the Y team the heavy end of the errors.

Y. M. C. A. did not look much like the York county champions, and playing as they did yesterday, would have been an easy prey for Fredericton City, the tail-enders. Wheeler started in the box. He was batted all over and "Bunny" Williams finished the game. He also was hit hard. Had he held in been half good many would not have been hit. Neither pitcher was well supported.

The Hartland team appeared in neat uniforms of gray with dark green facings. The visitors played sloppy ball but were no better and probably not as good as either Marysville or Y. M. C. A. when the County began to play good.

Hayward Paynter, who pitched with Y. M. C. A. early in the season was in the box for the visitors. The support given him was good, and he pitched a better game than he ever did for the local team. At that he was hit for nine by the Y team, one of them a three-bagger. That was enough to win any ball game, but the poor work in the field was what spoiled the Y. M. C. A. chances. Percy Fraser, also a former Y. M. C. A. player, was with Hartland, covering the second bag. Although producing a brace of errors, he loomed up in the Hartland team. As might be expected he received a lot of attention from the motes.

Hartland did not have its full team, filling in with Woodstock men. Y. M. C. A. also picked up players, Bill Bolster of Devon playing first base instead of Walker, and Burke of Marysville, being used at shortstop.

Y. M. C. A. had a lead in the game against Hartland. In the second they scored three runs on three singles. Hartland tied in the third, and Y took a one-run lead in the last of third. In the fourth the local team blew up. Hartland scored seven runs and more than batted through the order. After that there was nothing to it. Loose playing in the eighth let Y. M. C. A. score three.

"FRUIT-A-TIVES" Made Her Well, Strong and Vigorous

MADAME ARTHUR BEAUCHER
505 Carter St., Montreal.

"I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headache, and was unable to sleep at night. I was getting so thin that I was frightened and saw several physicians who, however, did not seem able to help me.

At last a friend advised me to take 'Fruit-a-tives'. I did so and soon I felt some relief. I continued with 'Fruit-a-tives' and in a short time, the Constipation was banished, I felt no more pains or headaches or the disagreeable sensations that follow dyspepsia. Now I am well, strong and vigorous."

PICNIC AT BATH

The Baptist picnic held at Bath proved a splendid success in every way. The day, in the midst of uncertain weather, was all that could be desired. About 1000 people were in attendance and the net proceeds a little over \$500 which will be used to better the church equipment, at Bath.

The pastor of the church, Rev. C. O. Howlett, on behalf of the congregation, wishes to thank all the kind friends that aided in any way in making the picnic such a pleasant and successful affair.

You can get two preparations—endorsed by the leading horse-men of the Dominion—which will save and preserve the lives of your stock, alling lame horses and cattle.

Why Canadians Should Insure in a Canadian Company

BECAUSE—Experience covering a period of forty-six years has proven that the death rate of insured lives is about 15 per cent greater in the United States than in Canada.

BECAUSE—A Canadian does not need to assist in paying for this extra heavy death rate in a foreign country.

BECAUSE—A Canadian insuring in a foreign Company is sending his money out of Canada. If retained in Canada he and Canadians generally will benefit by its circulation and investment.

BECAUSE—In The Policy-Holders' Mutual Life (of Canada) he can secure his insurance at lower rates and on easier terms than in any other Company.

BECAUSE—The Policy-Holders' Mutual Life (of Canada) was organized for the express purpose of eliminating all objectionable features in Life Insurance.

BECAUSE—In The Policy-Holders' Mutual Life (of Canada) the Policyholder votes and participates in the management on equal terms with the Stockholders.

BECAUSE—By its Act of Incorporation provision is made for the Policyholder voting at his own home if convenient to attend the general meetings.

BECAUSE—By its Act of Incorporation the dividend to its Stockholders is limited and all profits above this limited dividend belong to the Policyholder.

BECAUSE—By its Act of Incorporation no lifetime, so called "Gold Bond" policies or anything of a like nature can be issued.

BECAUSE—Its Policy-holders participate in the annual distribution of profits after the third of the life of each policy.

BECAUSE—The low rates and annual distribution of profits leave the money in the Policyholder's pockets or return it to him each year instead of its being retained for speculative purposes as has been charged against some Companies.

BECAUSE—Premiums may be paid monthly, quarterly, semi-annually or annually as best suits the convenience of the insured.

BECAUSE—In the Policy-holders Mutual Life (of Canada) he will be insured in a Canadian Company incorporated by special Act, especially safe-guarding his interests, thoroughly democratic in its principles and management, with every safe-guard and security to which the strongest Stock Company can lay claim or which government deposit reserve and inspection can secure.
