Many Entries Already Received. Teams Coming Here From Distant Points. Leaders in the Tournney at Pittsburg.

Toronto, March 17.—President Simpson, of the C. B. A., and Walter Thomson, of the Tournament Committee of the coming C. B. A. tournament at Hamilton, attended a conference here yesterday afternoon at the King Edward Hotel of the local Executive members of the C. B. A. and the different allies.

The purpose of the meeting was to arrange the novice class so that Toronto and Hamilton would be on an equal footing, and incidentally to get together and work harmoniously to have the coming C. B. A. tournament the best ever held. After some discussion it was decided to limit the novice class to bowlers who have not competed in Class A or Class B leagues, with the committee which was appointed using their discretion as to bowlers eligible to compete in the novice class.

GERMANS KEEP TITLE.

Hamilton Basketballers Beaten Last Night. The Dutchmen Doubled the Score. Arrangements For the Mahmout Bout.

Toronto, March 17.—Two good wrestling bouts were seen at the Riverview rink last night, when Kid Batten, the lightweight champion of the world, essayed to throw Will Sheridan, of Oshawa, three times in half an hour.

Buffalo, March 17.—The 1,200 spectators at the Coliseum rink last night saw the most exciting game of basketball ever played here, when the Germans defeated the Hamiltons by a score of 24 to 12. The game was simply great and the large crowd left the rink satisfied that the Germans are one grand team, and still the champions of the world.

The game started with the Germans scoring the first goal after five minutes of play. The Canadian champions soon tied it, however. The Germans then forged ahead by one point. The score remained 3 to 2 for several minutes when the visitors tied it on a free throw. The Germans then set a clip that the Hamiltons couldn't stop and rolled up a score of twelve points, while Hamilton was held to a single field goal and one free throw.

After an intermission the game was resumed. The Canadians made things hum, for in four minutes they scored seven points, while the Germans were unable to add a single point. With the score 12 to 10 in favor of Buffalo, it looked as though the Canadians would tie up the game. The crowd was silent. One goal would tie it. The Hamiltons had a try and failed and then the Germans started their grand old finish, which pulled many a gasp out of the finish. In five minutes the Germans scored ten points and Hamilton secured but two more, and then for good measure, the locals added two more, making the final 24 to 12. The game was a nerve-racking affair and there was enough excitement and clever plays to furnish enough talk until the Germans return from their two-week trip, which they start on Thursday morning at 10 o'clock.

Referee, Al Manweiler, umpire, B. McKay. Score, first half, Germans 12, Hamilton 3; second half, Germans 12, Hamilton 9; final score, Germans 24, Hamilton 12; time of halves, 20 minutes.

Slashing Bout. New York, March 17.—Billy Rolfe, former amateur welterweight champion of Boston, and Jim Donovan, of England, fought ten slashing rounds at Brown's Gymnasium in this city last night. The outcome was a draw. The battle was witnessed by a large crowd, anxious to ascertain how Rolfe would fare against a boxer of experience like Donovan.

London, March 16.—In the House of Commons to-day Winston Churchill, British member of the United States said, in reply to a question, he did not apprehend that injury could be inflicted on British commerce by any reductions which might be effected in the American Customs tariff, although he doubted whether the United States a more formidable competitor in particular branches of trade and particular markets.

Gossip and Comment

One of the London papers announces, under a double-column display heading, that a big wood-sawing match is to take place there next week.

London sports are down on professional hockey, professional baseball, thoroughbred racing, boxing and wrestling, but they go wild over a wood-sawing contest. The London sport world must be a queer one.

Miss K. L. Wilks, owner of Crucks-ton Park Farm, at Galt, has nominated 24 names in one of the big futurity stakes recently opened. Of this number 15 are in favor of Kentucky Todd, 2,083-3-4, and the others to Oro Wilkes, 2,111; Oro Lambert (2) 2,117-12, and Mognazia, son of Moko.

Well, the Hamiltons will have to wait till next year for the world's basketball championship. When one thinks about it London-in-the-woods is an appropriate spot to pull off a wood-sawing contest.

Yussif Mahmout, the Turk, who will visit Hamilton on Saturday, is accompanied on his American tour by Jack Curley, the Chicagoan, and that famous old champion of champions, Antonio Pieri, the terrific Greek, a man who beat the world when at his best. Antonio discovered Mahmout, and was confident he had found a world beater, and that the Turk will take the championship title from Gotch in Chicago next month.

Jack Johnson is improving his compatriots in Galveston effectually and rapidly for their refusal to approve of his color-assimilation. In substance the champion declares that they must welcome his white wife with him, or there'll be no blacks at all.

The arrival of J. Johnson, champion, has started all sorts of argument, pugilistic and otherwise. One side of the question that is agitating the inhabitants of Galveston, Texas, where Little Athah was born, is whether or not Mrs. J. is white or colored. This seems to be causing more trouble than whether or not the Smoke is the best swiftest in captivity. J. J. comes through with the story that his wife, although she looks as if she belonged to the down-trodden Canadian race, is really a Senegambian, with whole mobs of pigmented coruscules, or whatever they are, coursing through her proud veins.

The meeting now in progress at Albuquerque, New Mexico, is ignored by the turf papers, which declare their lack of confidence in the management. Albuquerque is really a Senegambian, with whole mobs of pigmented coruscules, or whatever they are, coursing through her proud veins.

Orilla, March 16.—Word has been received of the accidental death of Raymond, eldest son of Mr. Albert Cook of this town. Deceased was employed on the Grand Trunk Pacific, ninety miles north of Nipigon, and his mother received a letter last week stating that he was making good money, but did not like the work, as a poor quality of dynamite was being used. The body is expected here towards the end of the week. Deceased was nineteen years old.
