TO THE EDITOR OF THE HERALD. Sir, --In looking over certain numbers of the Summer-side Journal, I observed letters signed "A Fisherman, of Alberton, who thinks' that the Government would confer a great boon on the Island by granting a bounty on fish. This great fisherman and Albertonian oracle would wish that the multicover the transmission of the summer and how to Attain it," in-would wish that the multicover the transmission of the summer and how to Attain it, " in-budged in some tall talk as to what the Fallons and The Part and Murder led. or fish. This great fisherman and Albertonian oracle would wish that the public would consider him to be an individual who understands the fishing business from "arms and uniforms;" but the point of most interest. Had power t' inspirit half-informed clay, beginning to end, and also public letter writing to per-to us is where, atter referring to the recent uprising in From wold or globe, or Wallaco to draw forth, to us is where, after referring to the recent uprising in From word of group, of the autor to us is where, after referring to the recent uprising in From word of group, of the autor to the terms of freland, and reviewing the conduct of the Stephens' And stamp the rulest soil with patriet worth, valuable space with remarks on the homespun letters of fraction, he declared "he would not be surprised to Then thus, I thought, such words must Bruce he

valuable space with remarks on the homespun letters of Δ Fisherman." Indeed, I would pass them unnoticed fuction, he declared "he would not be surprised to further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle further, on waking up some fine moraing, that Uncle bands of England, as John Bull was already treading further the rouble of seizing Canada out of the hands of England, as John Bull was already treading ward position. I would wish to draw him back again and place him in his proper position, and, Sir, if you would only allow me a shell space in your very repet-able journal, I presume I would straighten him and was arms and uniforms." Now, while some may look

and place him in his proper position, and, Sir, if you would only allow me a shell space in year very reportance on Canada. All they would not be slow in able journal, I presume I would straighten him and uniforms." Now, while some may look with arms and uniforms." Now, while some may look work and they wanted in to tattempt what he is unable to perform. "A Fisherman" has the impedence to say that he has may four these statements of Roberts as coming from a man for the sole purpose of defrauding simple people our sland journals but what was looked in from any for the sole purpose of defrauding simple people our sland journals but what was looked in from a way out of their money, still they may not be altogether in wrong stand-point. Well, I suppose he thinks that he may find to make a for from one work of from the sole purpose of form the sole purpose of form the polace; 4.
