Rew York, July 29—The board of health yesterday adopted rules and regulations providing for prompt disinfection in cases of reported cholera, similar in effect to those in force last year. Dr. Harris, weekly report shows that the death rate in this city has fallen off to an extent fully appeared to the shaence of the fatal effects of the heat of the week before last.

The yacht Sappho has cleared at the custom house for Cowes, and will leave Brooklin this morning. A son of one of her owners and the family of Capt. Baldwin will go to Europe in her.

Commissioner Wells, in reply to imquiries from Congress Allison, of lows, gives a long statement, in which he shows that that the government receipts for the year just closed exceed the expenditure by \$34,749,999; that since the war the national indebtedness has been reduced 250 million dollars.

The Tribune's special says that the South ern members have had several consultations on the subject of the November elections in their States, and the opinion provailed that the old South Carolina system of havings the State Legislature choose the Presidential electors would be the best under the circumstances. If such a plan is agreed upon, all the expected trouble of force between the two races of citizens in the South will be avoided.

Description:

The province of the fatal effects of the November should be such as the plan is agreed upon, all the expected trouble of force between the two races of citizens in the South will be avoided.
