

Beauty Secrets Revealed. Anna Q. Nilsson, the Popular Actress Tells How

To Instantly Have a Beautiful Rosy-White
Skin and Complexion.

Los Angeles.—The secret of beauty is the proper care of the skin," says Anna Q. Nilsson, the popular star. "It requires a few moments time every day, but it is more than paid for the effort it takes. In the first place, the skin should be kept scrupulously clean. Use a good cleansing cream. Wash the face by bathing the skin with warm water then rinse with cold water and dry thoroughly with a soft towel. After this apply dermivul. It instantly beautifies the complexion and its continued use makes the results permanent. "There is nothing like dermivul to take the place of face powder as it stays on better and is useful for a shiny nose, oily, dark, yellow skin, tan, wrinkles and other defects on one side of your face. Use dermivul in your mirror and compare it with the other side, you will find it goes further to convince you that nothing beautifies like dermivul. It imparts a youthful appearance and you will keep your complexion as it is best all the time, make dermivul a part of your toilet as you now use face powder and note the favorable comments of your friends. "There is nothing like dermivul to keep your hands and arms and to protect them from roughness and dryness, which always follows exposure to sun, dust and wind. It is guaranteed absolutely harmless on the most delicate skin and will positively stimulate or produce growth of hair. Give it a thorough trial and you will never be without it. "Dermivul is just as good," says Anna Q. Nilsson, "as any other skin cream. It is sold at all toilet counters in this city, including M. Connors, A. W. Kennedy, T. McMurdo & Co.

Bluenose Defeats Ford in Final Race.

Demonstrated Superiority Over Challenger
All Round --- Protests Lodged by American Race Committee --- Angus Meets Mayflower on Monday --- Commander of H.M.S. Raleigh Dismissed the Service.

BLUENOSE WINS.
GLOUCESTER, Oct. 26. The Bluenose successfully defended the International Fishermen's trophy to-day, when she took the third race of the series from the American challenger, Henry Ford, in wind that varied from ten knots at the start to upward of twenty-five knots when the windward leg was reached. The Bluenose got the better of the start, leading by fifteen seconds over the line. She increased this lead to one minute and five seconds on the close reach to first mark, she dropped all but twenty-seven seconds in the reach to the second mark and again lengthened the gap to fifty-seven seconds in the third reach to the 4th mark. In coming on the wind for the ten mile muzzler to windward, the Bluenose immediately demonstrated her superiority in outpointing and outfooting her rival, with her decks awash to the hatches. The Ford decided to douse sail. Five minutes after this had been done she carried away her foretopmast, relieving herself of foretopmast and jib topsail. The Bluenose which previously had taken in the foretopmast doused the staysail. The defender gained on the challenger throughout the thrush. Having opened up the lead on the fourth mark she continued to widen the gap to the close haul and finish with her opponent's hull down on the horizon. Official finish times: Bluenose, 4:48:38; 4:56:29.

RACE PROTESTED.
GLOUCESTER, Oct. 26. In spite of the victory of the Canadian schooner Bluenose to-day in the International fishing vessel series of 1922, the competition for the Halifax Herald trophy may not yet be over, it became known late tonight. The International Sailing Committee, the body in charge of the annual contests, will meet tomorrow to consider the protests lodged by the American Race Committee against the Bluenose. Two protests are made against the Bluenose. My Chairman MacInnis, covering three points. One point is raised that the Canadian boat sailed to-day without an observer, and it is charged the Bluenose carried a larger staysail than carried in previous races. The second protest alleged that in the series the Bluenose used a suit of sails of fine quality than ordinary fisherman's duns. Capt. Walters said there was no observer on board because none reported to him, and the staysail was necessary to replace the one that was damaged and was, in fact, smaller than that which it replaced.

BLUENOSE WILL RACE MAYFLOWER MONDAY.
GLOUCESTER, Oct. 26. The special race between the International champion Bluenose and the Boston schooner Mayflower, was arranged late tonight. The date of the race is tentatively set for Monday.

THE STORY OF THE RACE.
GLOUCESTER, Oct. 26. The race started at eleven o'clock with the Bluenose leading, and going fast. The unofficial times were, Bluenose, 11:01:09; Ford, 11:01:36.

Glooucester, Oct. 26.—At the first mark the unofficial time of the Bluenose was 11:26:23; Ford, 11:27:23.

Glooucester, Oct. 26.—The unofficial times at the second mark were Bluenose, 12:27:56; Ford, 12:28:34.

Glooucester, Oct. 26.—The times for the third mark were Bluenose, 1:21:32; Ford, 1:22:03.

Glooucester, Oct. 26.—At 1:40 the Bluenose was 200 yards ahead of the Ford, but the latter was a trifle to the windward. The Ford's foretopmast broke off half way up and her jib fluttered into the water alongside. The Bluenose was nearly half a mile ahead at the time and seemed to have the race well in hand. Disabling of the Ford apparently settled the race.

Glooucester, Oct. 26.—The Bluenose tacked round the fourth mark at 2:24:40 and headed for the finish five miles away. The Ford was about a mile to leeward and turned at 2:32:45. The wind increased to twenty-five knots as both boats sailed the last leg.

Glooucester, Oct. 26.—The Canadian schooner Bluenose to-day retained possession of the International fishing vessel trophy, by defeating the Boston schooner, Henry Ford, in the third official race of the championship series. The Bluenose finished at 4:48:38.

4:48:47. At that time the Ford was two miles astern.

DRIVEN OUT BY FORCE.

ROME, Oct. 26. Premier Facta, and the entire Ministry resigned this evening, following the hostile attitude of the Fascist against it and the threat by the Fascist of a general mobilization of its forces throughout the country if the Cabinet declined to give up power.

COMMANDER OF RALEIGH FOUND GUILTY.

PORTSMOUTH, Oct. 26. The Court Martial in connection with the loss of the British cruiser Raleigh, on August 8th, found that the charge against Commander Bott, of the Raleigh, that by negligence or default his ship was stranded, and lost, had been proved. Commander Bott was ordered dismissed from the ship and severely reprimanded.

BRITISH POLITICAL DEVELOPMENTS.

LONDON, Oct. 26. The King at Sandringham to-day signed the Proclamation, dissolving the Parliament which had lived four of the constitutional five years and summoning a new Parliament to meet Nov. 20th. The only notable event of the day was the issuance of Premier Bonar Law's Man festa. It contained no remarkable surprises, and the greater part was devoted to enlargement of the policies outlined at the Unionist meeting which elected him leader. He proposes to abolish the Cabinet secretariat which has been criticized as unconstitutional by the opponents of the late government, and to transfer the British representation at the League of Nations to the Foreign Office. He intends to ratify the Irish treaty and call the British Dominions to a Conference to develop Empire affairs. There was no statement of policy on the management of British affairs in the Near East, and that is likely to be demanded by Bonar Law's campaigning critics. Mr. Lloyd George did not waste the day. He spoke before a huge audience of nonconformists in London, where there was plenty of cheering. He was in his breeziest form.

'Varsity Won
From McGill.

MONTREAL, Oct. 22.—Varsity humbled McGill by the overwhelming score of 51 to 5 in the feature event of Montreal's inter-collegiate rugby season here yesterday. The combination of beautiful kicking, running and passing put up by Snyder, Duncan and Somerville, supported by Fredericraft and Reif on the ends of the Varsity line, was too much for Dink Carroll's single unaided boot. Cope Campbell was the only effective Red and White tackler. Interesting features of the game which was so one-sided as to be almost dull, were Somerville's three field goals and Snyder's sixty-five yard run. About 8,000 people saw the game.

Awkward Moments.

At a dinner a young man whose chief claim to distinction seemed to be an eyeglass and a drawl, said to a man near him:

"Beastly nuisance—what? Spoke to that fellow over there. Took him for a gentleman, and found he had a ribbon on his coat. The confounded head waiter, I suppose?"

"Oh, no," replied the other. "That's the guest of the evening."

"No! Is it, really? Look here, old chap. Would you mind sitting next to me at dinner and telling me who's who?"

"I would do so with pleasure," came the answer. "Only, you see, I'm the confounded head waiter."

See the Everlasting Truth proven in "Dream Street." Greater love hath no man than this, that he lay down his life for his friends. To-day at the Majestic Theatre.—Oct 27, 11
