**Salesman Wanted.**

The man to whom this advertisement is addressed is not looking for a job—he has one, but he is looking for an opportunity. He may at present be connected with a smaller establishment but is not getting as much as he is earning and seeks to step up where initiative, energy and ability will be appreciated and paid for. Above all he must understand the finer principles of salesmanship, he must be a real fellow who knows neither fear nor doubt in the pursuit of his objective, he understands co-operation and loves the conquest for business. This is projected selling, no canvassing, it is not insurance, stock or securities. This position is open now, the employment is permanent, and the pay is big. If you have the qualifications apply to F. P. CREWCH, Cochrane House, St. John's, Call (DON'T PHONE) June 28, 21
