

The Prisoners Whalen and Doyle, who were both living in Montreal, where they were well known. Doyle who is a tailor, was at one time in the army, and served in the Crimea, where he was wounded, the ball coming within three inches of his heart. He was employed in the city police, but discharged for bringing accusations against his superior officers, which were proved to be unfounded, and the acts with which he charged them having been discovered to have been actually committed by himself. He was a waiter in different situations, and was discharged from Ginelli's, on suspicion of dishonesty. Shortly before leaving here for Ottawa he told a young woman living in Lagache street, that he had that there—putting his hand on the breast of his coat where he had a pistol—that would do for McGee yet. This together with the suspicious caused by his intimacy with Whalen, whose real name is Sullivan, has long been regarded with apparently well grounded suspicions, as a Fenian. He was married here to a respectable woman, who had saved some money, all of which he squandered and then went off to Burlington, Vermont. Sometime after his return he had told his wife that he had received his orders to leave, and apparently as if he had said too much, declined to give any further explanation, but left, and it is believed, joined the Fenians in their raid of 1866. At this time he was absent seven or eight months, and was arrested in Quebec but subsequently released. During the time he was working in the shop of Mr. Gibb here, he was generally believed to be one of the Fenians. It will thus be seen that the antecedents of both men tell against them, although there is nothing yet brought out in evidence directly to connect either with the diabolical assassination of Mr. McGee.—Montreal Herald.

INDIA & CHINA TEA CO'Y.
Home Depot at London and Liverpool.
Canada Depot, 23 Hospital Street, Montreal.
THE India and China Tea Company beg to call the attention of the Canadian community to their directly imported Teas, which for purity and excellence will be found unequalled.
The Company have made arrangements whereby they have secured the entire produce of some of the best plantations in Assam and on the slopes of the Himalayas, and by a judicious blending of these magnificent Teas with the best varieties of China produce, they are enabled to offer to the public Tea of quality and flavour hitherto unknown to the general consumer. These Teas are in high favour in England and France, and a single trial will prove their superiority.
The Company supply two qualities only, either Black, Green or Mixed. Their Black Tea will be found to possess great briskness and flavour, combined with colour and strength, and to be entirely different to the flat and rapid article usually sold as Black Tea; while their Green Teas are altogether free from the deleterious mineral powder so commonly used for coloring the leaf.
PRICES: Rock Fall-Flavour Tea, for family use a real genuine and fine article 70 cents per lb. Finest quality procurable, one trial will prove their superiority.
The above can be had either Black, Green or Mixed.
To be had in packets of Quarter Pound Half Pound, One Pound, and upwards, or in tin canisters of 5 lbs. and upwards, from the Company's Agents at all the chief towns of Ontario, N. B. & A. S. E. All our Teas are supplied with tin foil paper, and the Tea will consequently retain its flavour any length of time. One year's trial will prove the Company's trade-mark, without which none are genuine.
