A young theological student, not far from Boston, recently invited a young lady to attend a concert. The damsel's answer to this invitation was in this wise: answer to this invitation was a 'if you come as a 'temporary supply' I must decline the invitation. I am only hearing 'regular candidates.'

BREAKFAST—EFPS'S COCOA — GRATEFUL and COMPONITION.—By a thorough know ledge of the natural laws which govern the operations of digestionand nutrition, and by a careful application of the fine preperties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately favored beverage which may save us many heavy doctor bills.—Civil S. The public are hereby assured, through the columns of the Mercury, that "Parson's Purgative Pills" contain no injurious principle, but that they may be administered to children and the most weak and shattered constitutions in small doses, with great certainty of success.

Dr A Johnson, one of the most successful practitioners of his time, invented what is now called "Johnson's Anodyne Liniment." The great success of this article in the cure of Bronehitis and all diseases of throat and lungs, will make the name of Johnson not less favorably, if less widely known, than that of Louis

"Tired Nature's-Sweet Restorer, Balmy Sleep." But there are times: when this "henewer of Strength" is "denied us, times when our minds and bodies have been so over-worked and are so worn ou that we "woo the drowsy God in vain." The Peruvian Syrup (an Iron Tonie), renews our strength and makes our rest sweet and refreshing.

WE beg to call attention to Mr Horsman's advertisement about Ploughs. The Plough referred to is having a large demand, so great has it become that three car loads have been forwarded to Mr. Horsman to supply the farmers in this neighborhood this Spring. All pronounce them the best general purpose Plough made; as a guarantee of this we need only say that they are manufactured at the celebrated Agricultural Works of F. W. Glen, Oshawa. The price it will be observed will be kept at \$13, the old figure, until the 1st of April, when it will be raised to \$15 in consequence of the advance in Iron and Steel. We should therefore recommend our farmer friends to loose no time in procuring one at Mr. John Horsman's, Hardware Merchant of this town.
