CHICAGO CUBS SEEM TO HAVE THE CALL

The Pittsburgs Seem to Have Gone Back Some-A Yawning Void at the First Sack.

(By Dudley Porter) New York, April 20.-Baseball exnew York, April 20.—Baseball experts who have sized up the strength
of the National league teams, as the
cry "play ball" goes over the country
opening up the 1910 season seem to
see more strength in the Chicago Cubs
that in any other organization.

Judging from the line-ups of the
sixteen clubs forming the two big leagaes, the game will be fully as good
as ast year but hardly as exciting

as ast year but hardly as exciting and spirited as in 1908 which was an exceptional year.

Comparatively few new stars seem to re developing while the veterans are maintaining their old time class.

Novertheless the Brooklyn, Chicago, Circinnati, New York and St. Louis teams of the National league show signs of being stronger than in 1909; Pittsburg looks about the same, while Boston and Philadelphia are likely to In the American League Chicago and

only to be judged by the stress of act-ual play. The Tigers, Boston Red Sox and Athletics grade up even with their 1909 form; New York shows signs of marked improvement and St. Louis and Washington should gain—they can't possibly be worse than last sea-

The Pittsburg champions cannot b reckoned as improved over 1909, and in fact may retrograde to some degree. So far, Clarke has not filled Abstein's place on first in wholly satsfactory fashion, and the Pirate inield is not entirely dependable. Some of the champions have reached their last season, while an accident of Gib-

ates do not look like odds-on favor-ites. Gibson is the whole catching force and cannot be replaced in case of disability. The Pirate pitching staff is of the kind that win for winners—in other words, would hardly stand the gaff if misfortune overtook the club. As long as the Rock of Gibraltar dously strong, if Clarke and Leach do not retrograde.

ourg has an even chance to wir again, but no better.

President Lynch, of the National League and President Ban Johnson of the American League, are opposed over the question of allowing newspaper photographers upon the field during games. Johnson claims that the teams benefit greatly by the advertis. teams benefit greatly by the advertis-

American league. The fact that Washington Ban is an ex-reporter, may have something to do with his kindly feeling. Philadel

Covaleski, the Polish pitcher wh was discovered in Philadelphia, is said to be the surest marksman with a straight ball in the league. The other Washington 121 035 000day in Cincinnati, Covaleski made a Boston bet that, if two men stood facing each other at home plate with their heads six inches apart, he could stand in the pitcher's box and throw the sphere six times between their heads without touching either one. The Pole made good, but the two at home plate heav-ed loud sighs of relief when the con-

Larry McLetz, the lanky good natured catcher of the Cincinnati National league team, will be reinstated on April 21, a week after the opening of the season, according to an an
Bender and Thomas, Umpires—Exam of the season, according to an announcement made by Clarke Griffith. McLean was suspended for intractions of the training rules while the feam was at Hoc Springs, Ark. He will resume play under a new contract, and at least pay, so it is said.

Batteries—Doyle and Sweeney:
Bender and Thomas Umpires—Egan and Eyans.

The National League.

Chicago 4, St. Louis 4.

New York 4, Boston 0.

Catcher Charley Moran, who played last year with the Mobile club in the Southern league, has joined the New York Glants. He has already reported and McGraw thinks well of the Southener. Incidentally, the Glants now have the biggest staff of pitchers in the National league.

It will be at least ten days before
