LABOR TROUBLES

Hamilton Strike Ended.

30, May 29.- "The contractors are willing to meet the local unions, but not representatives of the National Building Trades Council." KERN RELEASED BY BUFFALO. Al. Kearn, the well-known baseball pitcher, has been given his walking ticket by Buffalo. Kearn pitched for the St. Thomas team in 1898 and 1899 and was sold last year to the Bisons by Joe Knight. Kearn will likely catch on with the International League team. The Courier says: Pitcher Kearn was released yesterday and he went to his home in Chicago last night. The only reason given was that he was not pitching ball up to the "standard." Kern has been ill for same time, and while he has had hard luck, he would certainly have won if he had been given any kind of suppont. It is safe to bet that he will

catch on before long. WHEEL MAJOR TAYLOR REINSTATED. New York, May 20.—Major Taylor, the colored cyclist, has been reinstated by the executive committee of the American Racing Cyclists' Union, in session at Newark, N. J. The sentence of life suspension which stood against him was changed to a fine of \$100, but in addition to this he is amenable to the union for \$400, money lost by the riders through the desertion of Taylor at Cape Girardeau in the fall of 1898. He will pay the \$500.

on June 15. In discussing the coming battle with friends here today he said: When I made my match with Jeffries there were thousands of real wise people who thought that if I ever got in the ring with Jeffries he would knock me dead with a punch. Well, I fooled them, and that same wise bunch that think Ruhlin is going to go down with a punch from Fitzsimmons are going to get fooled again. Ruhlin was with me for two months, and we had it good and rough every day, Now, I have fought Fitzsimmons, and I know him. Ruhlin I also know. He is strong as a bull, the hardest man to hurt that I have ever boxed with, and as game a man as ever entered the ring. "Now, take my word for it, the Ruh-

lin who meets Fitzsimmons will be quite a different man from the Ruhlin they have known. No one need be worried about Ruhlin going out in a punch. He took a hundred of Peter Maher's right-hand jolts on the jaw, and stayed there. Ruhlin will surely beat Fitz and put him out of the busi-
