C., June 21.—Acting port from Che Fu, the foreign settle-Secretary of the Navy Hackett receiv- ment at Tien Tsin was reduced to ed a cable message this evening from Admiral Kempff, dated Che Foo, June 21, saying that Tien Tsin is being bombarded, and that much of the American consulate and the foreign concessions, are being destroyed. A relief party is en route to Tien Tsin, including 130 American marines, under Major Waller.

London, Friday, June 22-3:30 a.m.-The scantiness of authentic news with reference to the situation continues. Admiral Kempff's dispatch to the United States navy department, announcing that Tien Tsin is being bombarded, was prominently used by the London papers and commented upon as indicating a change for the worse.

ADMIRAL BRUCE'S DISPATCH. The admiralty has received the following dispatch from Rear Admiral Bruce: Taku, via Che Foo, June 21.-No communication from the commanderin-chief, in seven days, and from Tien Tsin in five days. The allies hold the Taku forts and Tong Ku securely, and they will advance to the relief of Tien Tsin when in sufficient strength. Troops are expected from Hong Kong tomorrow, and 300 from Wei Hai Wei the following day. It is believed that fighting is constantly proceeding around Tien Tsin. Our garrison there should be

about 3,000 men. The British admiralty does not be-lieve the report of the death of Admiral Seymour, commander of the international relief column, and semiofficial assurances are given that evidence to back up such a report. The following proclamation was agreed to this morning to be issued forthwith: "The admirals and senior naval officers of the allied forces in China desire to make known to all vicecoys and authorities along the coasits and rivers, and in the and provinces of China, that they intend to use armed force only against the Boxers and people that oppose them on their march to Pekin for the rescue of their fellow-countrymen. [The date that the above dispatch was sent off from Taku is not given, but is probably June 19.]

GRAVE SITUATION. A dispatch to the Associated Press from Shanghai, dated yesterday, says: "The consuls met today to consider the situation, which, in the absence

of news from Pekin, is looked upon as particularly threatening. Grave fears still exist as to the safety of the Europeans in Pekin. It was agreed to wire to the senior consul at Chefoo to communicate with all the senior officers at Taku, asking for immediate assistance in communicating direct with Pekin, which they believe can be brought about through Sheng, director of telegraphs. They advise that Sheng be asked to explain the interruption of communications.

The stoppage of trade has thrown 10,000 coolies out of work at Shanghai. All the English ladies at Tien Tsin left there Saturday by a train Taku.
