#### EVERY PROVINCE EXCEPTING ONE

Gave a Majority for the Liberal Party-What the Figures Disclose.

Ottawa, Dec. 11.-The parliamentary elections for the Dominion being at an end, it is possible from a scrutiny of the returns in the possession of the clerk of the crown in chancery to estimate the popular majority in each province. The official returns for every constituency have not yet been received at Ottawa, as, for example, in Algoma, Gaspe, Burrard and Yale-Cariboo, where the elections were held only recently. In one or two instances also, there was no contest, the Liberal candidate being elected by acclamation. Furthermore, in some constituencies there was no straight party fight, viz., Winnipeg, Lisgar, South Huron and South Lanark. These constituencies have been omitted from the calculation. Exclusive of the elections, where there was no straight party fight, the government would have throughout Canada a majority of the popular vote, amounting approximately to 37,000. If the ballots cast for Independent Liberals be incliuded their majority would aggregate 60,000. By provinces the majorities would be about as follows:

Intario ..... Quebec ...... 30,213 British Columbia...... 1,700

Totals ..... 41,813 •Winnipeg and Lisgar emitted. The results of the gerrymander are een in the fact that although the opposition can show a majority of only 4,352 of the popular vote in Ontario, there are 20 more Conservative members returned than Liberals, the representation for the province being:

#### LABOR MATTERS

Plan To Do Away With Strikes-The Telegraphers' Trouble—Federation of Labor.

New York, Dec. 11.-Assemblyman Thomas M. Costello will introduce a bill this winter, modeled on the New Zealand law, for the doing away of strikes. It will provide for a court of ambitration, composed of one representative of the labor organization with troubles on its hand, one representative of the employer, and a justice of the supreme court, who is to be the president of the court. The decisions of the court are to be final. Stockton, Cal., Dec. 11.—Division Superintendent Schindler, of the Atchison, Topeka and Santa Fe Railway, announced today that all the stations between Fresno and Point Richmond, made vacant by striking telegraphers, had been filled, and that the wires on the road were working again. cies between Fresno and Bakerfield, he said, would be filled immediately. Louisville, Dec. 10 .- When the convention of the Confederation of Labor met today the resolutions committee submitted its report. The first resolution recommended was one reaffirming the federation's favorable position on the initiative and referendum. The resolution was adopted by the convention by a vote of 82 to 56, after considerable debate. In rapid succession resolutions were recommended and adopted requesting support by concress of a bill for the higher education of the blind: in favor of an eight-hour bill for all postoffice employes, to be introduced at the coming session of congress, and in favor of municipal wnership of public utilities.

Who Have Served in South Africa-Supplementary Estimates of \$80,-000,000 for the Army.

London, Dec. 12. - In the House of Commons yesterday, a question elicited the official statement that there had been 15,625 casses of typhoid fever among the British troops in South Africa and that of this number 3,642 had proved fatal.

THE COST OF WAR. Mr. William St. John Brodrick, the secretary of state for war, introduced the supplementary estimates of \$80,-000,000 for the army. He admitted the government's expectations had been over-sanguine, and it was now anticipated that the expenditure to March 31 would be little short of the outlay the government had been incurring during the whole financial year. He believed the government was now asking

DEPRESSING CONFESSION. Sir William Vernon Harcourt expressed the opinion that the house had never heard a more depressing confession. Although his original opinion of the circumstances leading to the unhappy war was unaltered, he would not oppose the vote. The whole secret of the government's miscalcula-tions, he added, was this: It was in no wise a warfare of governments, but a conflict of races. He thought that now they had overthrown the governments of the republics by overwhelming force of arms, they should deal with the brave burghers remaining not by perpetually increasing the expenditure, but by a policy of recon-

Henry Labouchere expressed the opinion that gueriffa wurfare in South Africa might last for two years. The supplementary estimates of \$80,-600,000 were then adopted by a vote of 284 against 8. A NEW LOAN.

Sir Michael Hicks-Beach explained that the existing borrowing powers of the chancellor only amounted to \$25,-000,000. He moved, therefore, a resolution authorizing him to borrow by war loan, exchequer bonds or treas ury brils, \$55,000,000. He did not expect to use his borrowing powers until February or March, and he asked the house to postpone any discussion on the subject until the second reading

NATIONALISTS IN CONVENTION Dublin, Dec. 12.-There was a large attendance yesterday of delegates the convention of the Nationalists under the presidency of John Redmond, A resolution was adopted that the South African war had been entered upon in pursuance of a conspiracy to deprive two free nations of their lib erty in the interests of capitalists and mine owners.

Wm. O'Brien introduced a resolu tion excluding Timothy H. Healy from the parliamentary party, for the sake of unity.
Timothy Harrington said that if the

action of delegates plunged the country back into the vortex of despair. future generations would curse the convention, and those who participated in it. "Hog wash!" yelled an O'Brienite

in the gallery. "I know where the hog is." said Mr Harrington, which caused protests and cries of "He is calling his fellow-patriots 'hogs.'"

After other speeches, an amendment, taking the bitterness out of the resolution, was proposed by Father McNeece, but this was rejected overwhelmingly, and Mr. O'Brien's resolution was adopted, only 25 hands showing against it.

Great excitement marked the dis-cussion of Mr. O'Brien's resolution. There were loud shouts on all sides of "Put out all the Tims," which were met with counter demonstrations by

# THE CHANCE OF A LIFETIME

Last January, February and March it will be remembered we advertised what was at that time considered one of the bigges contests ever published. The first prize was nothing more nor less than \$5 a week for life, or an annuity of \$250 a year in advance. Mr. A. W. Madden of Phillipsburg, I. J., was declared the winner, and as Mr. Madden preferred the annuity of \$250 a year in advance, a certified check for the said amount was promptly forwarded to him. I ast stop and think for a moment what a grand prize this was. It meant that as long as Mr. Madden lived he would receive from us every year on the first day of May \$250 in cash. As Mr. Madden is only 27 years old he has a good many years before him in which to enjoy his good fortune.

The rext contest we advertised closed October 5, 1900, and the cash prizes were awarded to the following parties:

Some one is going to win the money and it may be you, no one can tell. Anyway, it does not cost you one cent as we do not want any money from you. Are the prizes worth trying for? We think they are, for \$300 a year paid to you for life will keep one from the poor-house and to those who have a small income it will supply them with many a necessity which one has to do without in these hard times.

Do you know of any firm in the world that has made such liberal offers in such a fair manner? Of course we are strangers to you and you have no assurance except our word that we are financially able to carry old the promise we make.
