New Archbishop of Canterbury. London, Feb. 12.-Dr. Randall Davidson propo London, Feb. 12.—Dr. Randan Davidson was enthroned today as Archbishop of Canterbury (in succession to the late Dr. Frederick Temple), in Canterbury Cathedral, with much stately ceremonial. The cathedral was filled to its capacity with church dignitaries and civil, naval and military officials, in full robes or uniforms.

ened destruction of the mines. They

well know that if the pumping ceased

the mines would be destroyed. They

thought the operators would yield rath-

er than see the ruin of the mines. The

public is now suffering for want of an

adequate supply of fuel. Think what

the result would have been had the

our collieries been successful. Many

good men have found fault with us for

demand made upon us was for a uni-

form scale of wages, covering the whole anthracite field. The conditions of em-

ployment are not always the same, and

therefore a uniform scale of wages, ap-

plicable to the whole United States,

would not be just. We could never

see the wisdom of permitting the bi-

tuminous coal miners to inject them-

selves into the anthracite mining situ-

is their privilege. But we will not agree

busines to a labor organization because

can only increase when each individual is left free to exert himself in his fullest

capacity, thereby creating wealth which

in turn gives new employment, creates demand for commodities, and demand for workment to produce them. Only in this

way can the wage fund be increased.

If we are over-anxious about the effect of the mere possibilities of monopoly,

to placing the control of the fuel of the

only another form of increasing the cost

off production.

After reviewing the old "sliding scale" wage system, Mr. Baer presented this proposition:

"That the rate of wages now paid shall be a superior of the next three controls."

It is true, no doubt, that The ministers present were Sir Wiltimes have counseled against it, and frid Laurier, Sir Richard Cartwright, expressed regrets for it; nevertheless, Hon. Wm. Paterson, Hon. A. G. Blair they are legally and morally responsand Hon. W. S. Fielding. The memorandum was in part as follows: The request for a systematic sarily resulted. The leaders intended readjustment of the railway freight to enforce their demands by the threat-

rates is based upon these general statements: 1. Rates on short hauls within Can-

adian territory are so high as to be practically prohibitory. 2. Rates on long hauls also within Canadian territory do not in many cases bear fair proportion either to the cost or value of the service rendered. 3. Rates on local Canadian traffic efforts of the union to drown out all are much higher than rates under similar conditions on local traffic in the

United States. 4. On traffic originating in the United States and carried over Canadian lines to the seaboard the rates are in numerous instances not only relatively but actually lower than the rates imposed on Canadian produce carried over the same lines, but for a shorter dis-

Sir Wilfrid Laurier said that Mr. Blair would reintroduce this session his bill for the appointment of a railway commission. He was pleased that the measure had apparently proved so satisfactory, because so little criticism

of it was heard. The suggestion by Mr. Lockie Wilson as to the composition of the commission and those of other members of the wn employes, and was acting exclusive-for them, there could be no objection dealing with him, but he represents consideration.

#### Mutineers Sentenced.

Manila, Feb. 12.—Thirty-one members of e crew of the inter-insular steamer Do Hermanos, who mutinied in August last at Port Virac, Island of Catanduamas, and murdered the chief engineer, steward and carpenter and the vessel, and wounded the captain, the mate, the second en-gineer and one of the passengers, all Spaniards, were convicted of murder today. Three were sentenced to be hanged and 28 were condemned to imprisonment
