False Creek Bargain

Kelly and Burnett Offer to Transfer Lease to Vancouver Council.

No Fine Provided for Having Grouse Unlawfully in Posession.

Ball Tossers to Visit Whatcom With an American Team.

From Our Own Correspondent.

Vancouver, May 14.—Messrs. Kelly and Burnett, who had an order-in-council passed in Ottawa granting them 30 acres of the False Creek flats, have written, a letter to the council in view of the opposition of that body to their scheme, agreeing to transfer all their rights in the provises that paying averages. widow 106 Years. Leavin Widow 106 Years.

Upper Sandusky, O., May 13.—Peters Stamsley died here yesterday, aged 110 years, after an illness of seven weeks. He is survived by a widow aged 100 years, to whom he had been married 85 years. He was the oldest man in Ohio.

The Assize court is in session. The first case tried was that of Nelson, charged with rape, the plaintiff being wife of defendant. The jury returned a verdict of attempted rape. Justice Drake reserved imposition of penalty. Nelson, ir., was arrested on leaving the court for non-support of his wife.

The Crown has withdrawn the court of the count of the c

The Crown has withdrawn the murder charge against the Indian Johnny Hill, accused of killing W. Hussey, but will go on into the case of attempted murder of Cord.

In the case of Rex vs. Lauder, the jury returned a verdict of not guilty. A reunion of the festival chorus will ake place on Tuesday evening in take place on O'Brien's Hall.

Mr. Oswald Steele, of Fairhaven,

grouse as "owls." The Police Magistrate remarked on the strange fact that there was no penality in the code under which the case was tried. He, however, caused the birds to be confiscated. This was a decision that was funny in its results, as the birds had not yet been paid for, and really belonged to the Indian, who was subsequently fined \$10 for shooting them.

The Vancouver baseball team play Whatcom on Friday next. The Vancouver aggregation is now complete. Walter Miller is the only Canadian on the team. The others were hired on the Sound

up a sum which will in a measure relieve the financial obligations of the clerk, who lost a package on the way from the bank to the office containing \$1,000. The package was evidently picked up by a dishonest person, for although it was well advertised, and a large reward of-

ered, it was not returned. The union labor men held a demon-

RICH STRIKE

Report That New Lead Carrying High Values Has
Been Struck.

The law of Christian love and of the rights of all men to the benefits of Christian civilization. This was seconded by the Rev. A. B. Winchester and unanimously adopted. Been Struck.

Nelson, May 13.—A rich strike has been made at Athabasca-Venus mine, on the mountain near Nelson. While the tunnel was being driven into the lead a new vain was entered about 300 feet in. Development work so far done on it gives good evidence that the lead is permanent manent, and a number of assays taken show that it runs very high in gold. No particulars have been given out as yet by the management as to exact size or value of the lead, but it is known to

A committee was appointed to endeavor to draft provisions for an electoral law to stop corruption.

Roosevelt At

San Francisco

President Dedicates Memorial to Dewey's Victory and Visits
University.

Chief Magistrate Defines United States' Position on the Pacific.

San Francisco, May 14—President Roosevelt today participated in the dedication of the monument erected in commemoration of Dewey's victory at Manila. The President Roosevelt today participated in the dedication of the monument erected in commemoration of Dewey's victory at Manila. The President Roosevelt mass escorted from the hotel to Union Square by United States marines. On the speaker's stand with him were officers of the American ships in the harbor, and of H. M. S. Graffon, flagship of the British Paeific, squadron.

After the presentation of the monument, President Roosevelt made a speech in which he said San Francisco should glory in commemorating the navy's victory at Manila, as it had opened the Pacific ocean to American commerce, and more than any other event had contributed towards giving the United States a high place among the naval powers. Since the last war, the naval powers since the last war, the naval strength of the United States had rapidly been increasing, and under the wise provisions of the last congress was particularly advanced. He urged practical work at sea, particularly in marksmanship.

The following is an abstract of Presa ident Roosevelt's speech at the Mechanics' Pavillon:

"Before I saw the Pacific Slope, I was an expansionist, and after seeing in Confident of this country's greateness and inconfident of this country's greatenes
