REGULAR MEETING OF TOWN COUNCIL

Short Meeting of Council Held on
Tuesday Evening—Small
Attendance

A meeting of the Town Council was
held on Tuesday evening in the Council
chambers, His Worship Mayor And-
rew presiding. Present, Councillors
Easterson, Quinn, Ellsworth, Miller
and Evans.

The minutes of the previous meet-
ing were read and confirmed, during
the reading of which Councillor Alex-
ander entered the meeting.

A petition from H. P. Doiron was
presented, praying for a license to be
granted for the conduct of a confection-
ary business on Gerrard Street.

Referred to Police and License com-
mittee.

A communication was read from Mr.
H. G. V. Farrar, manager of the Elec-
tric Light station, with regard to re-
quisition for painting, and asking ar-
rangements to be made regarding
holidays for the men and a new sched-
ule of hours, also other matter relat-
ing to coal, etc. After discussion the
letter was referred to the Electric
Light committee.

The following reports recommend-
ing payment of accounts were then re-
ceived and on motion adopted.

Public Property and Streets \$164.54
Police and License 22.45
Electric Light 49.81

Councillor Ellsworth from the As-
sessment and Appeals Committee pre-
sented report recommending that the
application of Mr. George Sargent
for reduction of assessment be not
granted. Report received and adopted.

The Town Clerk stated that applica-
tion had been made to rent one of the
stores in the town building for a tin-
smith's shop, and after discussion it
was resolved not to rent the store for
this purpose.

In answer to Councillor Alexander,
Councillor Evans stated that he had
been informed by the Chief that the
new ventilating system was working
satisfactorily.

Councillor Alexander was instructed
to look into the matter of the Crowley
property with regard to Water and
Sewerage.

Councillor Patterson brought to the
notice of the Council a requisition for
two bodies for box carts for the Street
Commissioner. The probable value of
these would be \$18 each. The commit-
tee on motion, were authorized to pur-
chase.

Council then adjourned.

CAMPBELLTON VOLUNTEER

In the official casualty list published
at Ottawa, is found the name of Pte.
James Meahan, killed in action on
March 20th. Pte. Meahan was one of
the first batch of volunteers recruited
by Capt. A. T. LeBlanc on August
12th. His mother resides in Colum-
bus, O., and he was in Campbellton
only a short time before enlisting. As
a member of the first contingent he
was transferred from the 12th Batt.
to the Princess Patricia's from Salis-
bury.

A Montreal man has been arrested
for trading with the enemy and is in
custody in Liverpool. The man who
trades with the enemy is a patriot
compared to the chap who aids the
enemy by swindling his country in
army contracts.

With the disappearance of the snow
and ice, there is usually left exposed
an accumulation of refuse, which, even
though it may not cause unhealthy
conditions, at least has a very untidy
appearance. Householders should
have sufficient personal and civic pride
to see that this refuse is properly dis-
posed of.

YOUNG MENS CLUB ORGANIZED IN TOWN

Give Banquet on Monday Even-
ing to Two Members Who Left
for the Front

The young men of this town organ-
ized a club named "Victoria" on Nov-
ember 1st, 1914, and have their rooms
in the J. R. McKenzie building, corner
Subway and Water Streets. The idea
of the organization of this club was
that the young men would have a place
where they could spend the long win-
ter evenings. A piano was installed
in the rooms, numerous games and the
library is of a choice selection. Several
of the members are accomplished
pianists and have kept the young men
of the club in touch with the latest and
most popular music of the day. This
club has been successfully carried on
in a respectable manner, as the rules
strictly prohibit gambling and drink-
ing. There are thirty-five members
now enrolled.

The officers of the club are: Presi-
dent, John W. Stevens; Vice-President,
George Matthews; Secretary, Geo.
Thomas; Treasurer, George LaPraik.
Several of the members have enlisted
for the war, among them being Messrs.
Ross and Boswell Malcolm, in whose
honor the members of the club gave
an elaborate supper at Mr. W. H.
Gray's Restaurant on Monday night.
The toast given at the supper were
with cold water, which speaks well for
the reputation of the young men.

Menu.
Oysters on Half Shell.
Queen Olives.
Purée of Tomato.
Roast Young Turkey, Cranberry Sauce.
Mashed Potatoes, Mashed Turnips.
Apple Pie, Mince Pie.
Vanilla Ice Cream.
Tea, Coffee, Nuts, Raisins.

After the supper was served, the
members of the club and a number of
invited guests marched to the music
of a coronet to the reception rooms in
connection with the club, where an
entertainment was in order as follows:
Piano Solo by Mr. R. L. Ferguson of
Montreal, Vocal Solo by George La-
Praik, entitled "How Can you tell the
time when the hands are off the
Clock?" Illustrated with "Big Ben".
Imitation of "Grand Opera" by George
Underhill. A short lecture on England
and Camping Life on Salisbury Plain
by Fred Alexander, Patriotic Speech
by Austin Murray, The Introduction
of the Pavlova Gavotte by Messrs.
Fred Watson and Lyman Gilker.
These were some of the interesting
features of the entertainment, after
which Mr. Boswell Malcolm presented
the President with a beautiful pair of
field glasses, to which Mr. Stevens
made a suitable response. The entire
group then joined in singing "The
Maple Leaf Forever", "O Canada",
"Rule Britannia", "It's a Long, Long
Way to Tipperary", "We'll Never let
the Old Flag Fall" and "God Save the
King", after which they proceeded to
the station just in time to allow every-
one the privilege of wishing the Mal-
colm brothers a safe journey to Eng-
land and that they might be success-
ful in capturing the Kaiser's skull,
and a safe return.

ald. The marriage took place at the
home of the brides friends, Mr. and
Mrs. Macdonald, Beaver St.

DOLLAR DAY PLANS NOW BEING MADE

Change in Date to Allow All to
Take Advantage of Market
Day Tickets

Thursday, April 22nd, will be Camp-
bellton's Dollar Bargain Day, and ex-
tensive plans are being made to make
the day a success. The committee in charge endeavored
to arrange special excursion rates to
Campbellton for that day, but the
I. C. R. authorities at Moncton would
not grant any special rates.

It was then decided to take advan-
tage of the Market Day excursion rates
on the I. C. R. and International.
These are good on both roads on
Thursday, so Dollar Day was announ-
ced for Thursday, April 22nd. Market
tickets are issued from Jacquet River
and all intermediate stations, includ-
ing Dalhousie to Campbellton, and
from Routherville and intermediate
stations to Campbellton.

Merchants are already planning to
offer special inducements in the way
of bargains for shoppers on that day.
Chatham held Dollar Day on Tues-
day, and the following are a few ex-
tracts from a Chatham paper's report
of same.—Dollar Day proved a great
success, according to the report of the
merchants. One large grocery firm
were unable to get their parcels ready
for delivery before closing and were
still working at them at noon to-day.
The dry goods firms express them-
selves greatly pleased with the business
done, and a manager said they had
never realized the advantages of ad-
vertising so freely before.

USID ALSO HAS HONOR ROLL

That the County of Restigouche is
awake to the needs of the Empire is
shown by the high place she is taking

SUBMARINES ARE STILL ON WARPATH

Two British Steamers Sunk Yes-
terday Making Total of Five
Since Saturday

London, April 1—Two German sub-
marines, the U-28 and another which
have been operating off the West coast
of England during the past few days,
have added two more British steamers,
the Flaminia and Crown of Castile to
their list of victims, totalling five since
Saturday evening. There was no loss
of life. The crews of each vessel be-
ing given barely time in which to get
into their boats. In the case of the
latter vessel, however, the submarine
fired before the crew left the steamer
and the shells passed along the bridge
on which the captain and an appren-
tice were standing. The Crown of
Castile was sunk by shell fire, but this
did not prove sufficient to send Flam-
inia to bottom, and a torpedo had to
be used. As an offset to this, a
French destroyer rammed, and it is
believed sunk a German submarine off
Dieppe. The steamer Crown of Castile,
Captain Fyfe arrived at St. John
March 13, from Barry and docked at
No. 15 berth. She loaded a cargo of
hay and oats for Admiralty and left
March 18th. She was formerly in the
West Indies trade and was requisitioned
by the Admiralty on the day that
war was declared. After sailing as a
supply ship in the North Atlantic on
Feb. 15, she was released to the com-
merce. Her dimensions were 384 feet,
beam 55 feet, depth 25 feet,
gross tonnage was 4,105 and her net,
2,828. The vessel was built at Glas-
gow 1905. The Flaminia captured the
U-28 at 1.15 a.m. on March 31st. The
submarine was 1,000 feet long, 10 feet
wide, and 10 feet high. The crew
consisted of 56 men. The Flaminia
fired her torpedoes and sank the sub-
marine. The crew of the submarine
were rescued and taken aboard the
Flaminia. The Flaminia is a British
steamer, built at Glasgow 1905. She
was formerly in the West Indies trade
and was requisitioned by the Admiralty
on the day that war was declared.

RAILWAY QUESTIONS IN HOUSE OF COMMONS

Mr. MARCIL:
Has any action been taken by the
Government on the report of Mr.
Plante, Commissioner appointed to re-
port on claims against the Bala des
Chaleurs railway, the Atlantic and
Lake Superior railway, and the Que-
bec Oriental railway and what was
such action?

Mr. COCHRANE: Report still under
consideration.

Mr. MARCIL:
Have any steps been taken since the
last session of Parliament for the ac-
quiring of the Quebec Oriental rail-
way and the Atlantic, Quebec and
Western railway by lease or purchase,
by the Department of Railways and
Canals, and what are they?

Mr. COCHRANE: No.

Mr. MARCIL:
1. Has the Government paid the
balance remaining unpaid of the sub-
sidy for the last twenty miles of the
Atlantic and Lake Superior railway,
from Caplin to Paspébiac?

2. If so, to whom has the amount
been paid, what was the amount, when
was the payment made, and on whose
recommendation?

Mr. COCHRANE:
1. \$18,449.17 of a balance of \$20,-
765.98 has been paid.
2. C. R. Scoway, \$18,449.17; 6th
July, 1914; on the recommendation of
the Financial comptroller.

AN ACRE FOR PATRIOTISM.

Running parallel with the patriotism
and production campaign is the move-
ment on the part of a large section of
western farmers to set aside one acre
of their 1915 crop, and to devote the
proceeds from this to be devoted to the
relief of destitution arising out of the
war. This is not a selfish move to take
advantage of the higher prices due to
war conditions, but a definite effort
and sacrifice in the cause of humanity.
The spirit behind such a movement is
most commendable and the endeavor
to give the generous impulse concrete
expression in a definite amount of
land devoted to a special purpose is a
more practical way to implement a
generous resolution. By all means
have patriotic acres—voluntary taxes
are the easiest to bear and the most
fruitful of good.

ALL MUST GO

The jewelry of H. C. Mont-
gomery must be closed out in two
days. Everything must be sold.

Geo. Elsigar.
Arthur Spencer.
Felix Simmonds.
Thos. Butler.
John Augroid and Frank Winchest-
er also volunteered, but did not pass
the medical examination.

JACK JOHNSON. JESS WILLARD.
Who will battle for the Heavy weight Championship of the world. The fight takes place on Monday in Havana, Cuba. Much speculation is indulged in regarding the relative merits of the fighters, although the bet-ting is strongly in favor of the black.
