"SONS OF TEMPERANCE.

The Grand Division of the Sons of Temperance of New Remewick, opens in the Temperance Hall here this evening, and the following is the programme for the session:—

WEDNESDAY EVENING.

FRIDAY MORNING.

MR. W. DELL PERLEY. M. P.

Good Words for a Former New es Brunswicker.

The correspondent of the Montreal Gazette writing from Regins on the 12th inst., says:

"Eastern people, as well as emigrants, have been told that much of the country west of Manitoba on the Ganadian Pacific railway and argument being fixed on behalf of was unfit for settlement. Through this part the Minister of Justice and Hon. G. E. that if a few eastern newspaper men could be Boater, Minister of Fisheries. Sir induced to come and see the country, their

IN THE FAR WEST.

The "Bell" Farm.

Qu'Appelle N. W. T., During this week we have visited the fairs of Grenfell, Wollesley, Indian Head, Qu'Appelle and will leave to-pelle and Fort Qu'Appelle, and will leave to-te and the sent generally good, and at some on them the entries have numbered over a

thousand. We visited the Ceylon ferm, near Grenfell, owned by two Englishmen, named creen, who are well satisfied with the coun-

closing, and give Hon. Mr. McLelan farm, and during harvesting, from fifty to one hundred and fifty Indians are employed. There are upwards of one hundred and sixty makignant Grit dilgne in the county horses on the farm, fifty harvesters, twenty ubstantial ones, and from the manager's resi-lence there is telephonic communication with I parts of the farm. A most complete system of bookkeeping prevails, by which it is possible to tell the cost of production of each pashel of wheat. Major Bell informed us hat the manual labor for each bushel cos sight cents, and the total cost of production eight cents, and the total cost of production this year, was twenty-five cents a bushl. We were treated to a very novel and interesting sight at Indian Head, being a powwow and dance, in which about fifty young aboines took part. The braves were dessed is gorgeously decorated sarments and head dresses, and their arms and fingers were ornamented with brase and silver bracelets and rings, strings of bells attached to their faces and such parts of their persons as were unclothed were painted with all the colors of the law miles of the clear cold pools of the law rings, strings of their persons as were unclothed were painted with all the colors of the law miles of the clear cold pools of the law miles of the clear cold pools of the rooms be clear cold pools of the rooms and their arms and such parts of the rooms and their arms and such parts of the rooms and their arms and such parts of the rooms and their arms and such parts of the rooms and their arms and such parts of the rooms and th
