As for her own divided garment, Lady Harberton, modestly but

Toronto Draught Club

with singular taste in metaphors, de-scribed it as simply a scaffolding on which she hoped others would build. She scolded the doctor who said a woman's waist the club roo et Rink was again crowded with After routine was round. The true shape, in the opinion of this reformer, is an ellipse. Be the true shape or the actual shape what it may, the female nd the election of new members

tought not to be made to sup ward ought not to be made to support a mass of dry goods; no, not even with the hips to help. On this point her Ladyship is clear, Perhaps the remark has been heard before. Nor ought the hips "to be compressed by clothing." The effect is to shorten the step, and the effect that way," remarked the sympathetic driver. "Yes," replied an elderly passenger who the distance is walked over the same ground." the distance is walked over the same ground." Here I suspected an error in the text, but on looking into a peerage I discovered that Lady Harberton was born in Malone House. County Antrim, and I apologise to the report-er for doubting her accuracy. Nor is it dis-creet to set limit to what this females orator will be the limit of the anost dropped these are ground." ar for dombting her accuracy. Nor is it discrete to set limit to what this females obtained to the raudience on Wednesday that "women have totally reversed the whole idea of their own body; whereas the larger and more solid portion of their should be the lower." What will the anatomists and physiologists say to this anatomists and physiologists say to this realize that I shall be compelled to serve the former that their should be the lower." What will the anatomists and physiologists say to this for I cannot venture to suppose that I am writing to ladies only. But does Lady is their own raiment that their shoulders, let us say, shall be the broadest part of the figure? She, or perhaps it was Mirs. Pfeiffer, advised us all to go to the Brinke the brake. "This kind, and it has been burning to adjust their own raiment that their shoulders, let us say, shall be the broadest part of the figure? She, or perhaps it was the save been there already, but who has seen the feniale body treated on this novel theory of this titled dress reforment?
Congressional Electricity. " At this the Congressional Electricity. From the Bultimore American. "I think I'll take my electricity," said a mber of Congress to-day, as he came out of favor of the parent club : the House into the lobby, "I feel worn out; that last speech has almost exhausted me "The Lime Kiln Club met Monday night at their rooms, Forty-third and Ashland-avenue, and after a storiny debate passed the follow-Won't you come along?" he asked of a tellow Attort. The Second Bay at Collingwood. LLINGWOOD, March 4.—The second day's tting was very satisfactory and well patron-

ized, fully 1000 people being present. The track was in better shape to-day after a heavy frost last night. Summaries:

During the third heat in the 3-minute srot a man named Robertson of Collingwood Towa-ship nearly lost his life by being struck and knocked down by Elsie Hamilton.

The Toronto Football Club.

officers were elected at the annua eeting of the Toronto Association Football held in a Russin House parlor last night: Honorary President, W. B. McMur-rich; President, M. H. Irish; Vice President, John Galt; Captain, E. P. Gordon; Vice-Captain, W. W. Wood; Secretary, Al. M. Thomson, 52 St. Albans-screet; Treasurer, J. B. Laidlaw; General Committee, A. W. Bell, C. Baird, W. Milne, D. Anderson, C. Ellott. It was announced that arrangements had been completed for an extended trip to Newark, N.J.; and other eastern cities in the Honorary President, W. B. McMur

Lindsay defented. Peterboro yesterday; three inks. Score: Lindsay 64, Peter boro 53. Sheppard commences practice work next week in the Metropolitan Rink. Sam Reid will steh him.

Toronto's ex-manager, Humphries, has not yet risen to explain what disposition he made of the Smith fund. The annual club match between Moss Park and the Toronto Curling Clubs was played on

on and Peter Kemp for \$1000, the event to be off over the championship course on Par-natia River, N.S.W., on the second or third amatia River, N.S.W., on the second or third aturday in May, Frank J. M-inford, the New Orleans sculler

Frank J. M-unford, the New Orleans sculler the has entered the professional ranks, will on have to wait long before getting on a race, he is so inclined, -O'Connor, of this city, ex-culler in a three-tails race to be rowed on fake onchartrain or Toronto Bay. Edward Hanlan has spread without taking a fie-h. He recently underwent an examina-call by as a man could be. He is a half inch igger all around by actual measurement than e was three years ago, and yet he weighs the ance. His bones are larger and he feels rouger. Customer: "I must say I don't like this milk." Milkmau: "Why, what's the matter with it?" "Just book at it; don't you see that it is blue?" "What is the cause of it?" "I think I can explain it." "Td be glad to hear it." "You see, we weaned the calf a few days ago, and probably the old cow feels a little blue about it. That's the only way I can account for it." The Brog was Blagusted.

has been very good in Paris this tier. Among the champion skaters the ing are mentioned: Miss Falkiner, M ne, de Rothschild, the Duc d'Ayen, I reess de Leon, the Duc de La Force, Min dgers and Post and Messrs, H. Biount a the

George Prost. The annual meeting of the Peninsular Cricket Club was held Thursday evening last. The club devided to change their name to "The West Toronto Cricket Club," it being a more representative name, asthey have been a West End Club with a good record for the last four Following are the officers: Hon.

The English professional beauties have been neceeded by three or four specimens of Mr.

and altogether too well treated. Signor Cam-panin's first salary in America was \$2000 a month, and he ended his career in the United States to the tune of \$9000. Mme, Nilsson originally, received \$1000 a night from the Messrs. Strakosch; when she last sang for Mr. Abbey she demanded \$2500. And it should be remembered that artists are not like wine, and improve not with age. In Berlin Herr Niemann was paid \$125 a night; in New York he got \$500. As for Fraulein Lehmann, her two years' sojourn in this land of the red-skins and pale-faces, will have placed her in a position of principal sufficient to yield her annual inters at equivalent to the full pension she would have been entitled to after singing twenty years, at about \$8000 or \$9000 per annum, at the Berlin Opera House. Sneppard commences priorities brickles work next, week in the Metropolitan Rink. Sam Reid will catch him. Toronto's ex-manager, Humphries, has not of the Snith fund. The annual club match between Moss Park and the Toronto Curling Clubs was played on the ice of the latter last evening. Three rinks and the Toronto Curling Clubs was played on the ice of the latter last evening. Three rinks were played. Score: Moss Park 40, Toronto 27. Walter Over's celebrated built terrier bitch Kit' returned yesterday from New Haven, Conn., where she met Frank F. Dates' cham-plon dog Count. A grand progeny is looked for. A match has been made between Neil Mat-terson and Peter Kemp for \$1000, the event to come off over the championablip course on Par-
