This Company is now issuing $100, $200, $300, $400 and $500 Investment Bonds, payable in Five, Ten and Fifteen Years from date of issue, with participation in profits; affording all the advantages of compound interest accumulations on small sums of money.
These Bonds are the obligations of this Company and are specially protected by a Sinking Fund, invested in first-class Real Estate Mortgages. They are plain, definite contracts, subject to no contingencies whatever, are non-forfeitable after one annual payment, with values definitely stated thereon. For a small outlay they secure a fixed and generous return.
Young Men and Women, persons of moderate means and any one seeking a perfectly safe and profitable investment are solicited to examine carefully the plan of these Bonds and note the fact that a small amount paid Monthly, Quarterly, Half-yearly or Annually, will produce One, Two, Three, Four or Five Hundred Dollars at the end of Five, Ten or Fifteen Years, affording thereby unequalled opportunities for saving and accumulating money, and all at very moderate cost.
The Company is prepared to receive applications from reliable agents at all points where it is not already represented.
WM. KERR, Manager.
The Safe Deposit Vaults of the Company cannot be surpassed for absolute security. Call and examine or Write for Circular.
