Relieves Asthma at Little Expense.—Thousands of dollars have been vainly spent upon remedies for asthma and seldom, if ever, with any relief. Dr. J.D. Kellogg's Asthma Remedy, despite its assurance of benefit, costs so little that it is within the reach of all. It is the national remedy for asthma, far removed from the class of doubtful and experimental preparations. Your dealer can supply it.

Women of Canada Who Testify

Tillsonburg, Ont.—"Ever since I can remember, Dr. Pierce's medicines were in our family at home and they never failed to give good results. The 'Golden Medical Discovery' was used as a tonic and blood purifier and for bronchial trouble, and is proved excellent. I have personally taken 'Golden Medical Discovery' for bronchial trouble, and the 'Favorite Prescription' to build me up when I was run-down and they both were very beneficial. Mother always used Dr. Pierce's Compound Extract of Smart-Weed for pain; it also was very good. I feel safe in recommending all of Dr. Pierce's medicines knowing them to be good."—MRS. CLIFFORD MITCHELL.

Central Butte, Sask.—"I have used Dr. Pierce's Medical Discovery for a number of years and am pleased to recommend it as a blood purifier. I know it has no equal, as I used it for my boy for tuberculosis of the knee joint. My neighbors and friends were surprised with the results; in fact, I do not think he would be alive today had it not been for the 'Medical Discovery'. I also keep it on hand for coughs as it differs so from other cough medicines, instead of upsetting the stomach as most cough syrups do it is good for the stomach. I only wish I had known about Dr. Pierce's medicines sooner."—MRS. PERCY WOOD.

When you take Golden Medical Discovery, you are getting the benefit of the experience of a doctor whose reputation goes all around the earth. Still more, you get a temperance medicine that contains not a drop of alcohol or narcotic of any kind. Long ago Dr. Pierce combined certain valuable vegetable ingredients—without the use of alcohol—so that his remedies always have been strictly temperance medicines. #

Mothers' Advice

The responsibility for a daughter's future largely rests with the mother. The right influence and the information which is of vital interest to the daughter imparted at the proper time has not only saved the life but insured the success of many a beautiful girl. When a girl's thoughts become sluggish with headaches, dizziness, or a disposition to sleep, pains in back or lower limbs and a desire for solitude, her mother should come to her aid and remember that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, will at this time prepare the system for the coming change and start this trying period in a young girl's life without pain or irregularities. Thousands of women residing in every part of the United States bear willing testimony to the wonderful virtues of this medicine, and what it has done for their daughters.

Brooklyn, N. Y.—"I cannot praise Lydia E. Pinkham's Vegetable Compound enough for what it has done for my daughter. She was 15 years of age, very sickly and pale and she had to stay home from school most of the time. She suffered agonies from backache and dizziness and was without appetite. For 3 months she was under the doctor's care and got no better, always complaining about her back and side aching so I did not know what to do. I read in the papers about your wonderful medicine so I made up my mind to try it. She has taken five bottles of Lydia E. Pinkham's Vegetable Compound and doesn't complain any more with her back and side aching. She has gained in weight and feels much better. I recommend Lydia E. Pinkham's Vegetable Compound to all mothers and daughters."—Mrs. M. Parsons, 516 Marcy Avenue, Brooklyn, N. Y.
