"Life in the Thirteen Colonies," by Edward Eggleston, separate illustrated papers on subjects connected with the early history of this country.

Three Stories by Henry James, of varying lengths, to appear through the year.

The New Astronomy, untechnical articles, by Prof. S. P. Langley, describing the most interesting of recent discoveries in the sun and stars.

A Novelette by H. H. Boyesen, author of "Gunnar," etc. A vivid and sparkling story.

The New Era in American Architecture, a series of papers descriptive of the best work of American architecture in Public Buildings, City and Country Houses, etc. To be profusely illustrated.

"Garfield in England," extracts from his private journal kept during a trip to Europe in 1867.

"The Silverado Squatters," by Robert Louis Stevenson, author of "New Arabian Nights."

There will be papers on outdoor England by John Burroughs and others, a beautifully illustrated series on Dante, a number of papers by the eminent French novelist Alphonse Daudet, articles on art and archæology by Charles Dudley Warner and others, illustrated papers on sport and adventure, short stories by the leading writers, essays on timely subjects, etc., etc.

MANHOOD

HOW LOST, HOW RESTORED!

We have recently published a new edition of **Dr. Culverwell's Celebrated Essay** on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to Marriage, etc., resulting from excesses.

Price, in a sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practise, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of every youth and every man in the land.

Various Causes—

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. Ayer's Hair Vigor will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or the glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair, on which a few applications will produce the gloss and freshness of youth. Harmless and sure in its results, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts.

Ayer's Hair Vigor is colorless; contains neither oil nor dye; and will not soil or color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous, imparting an agreeable perfume.
