

## IN A NEW PATH.

We travelled there, nor feared to stray  
From beaten tracks, nor thought of care ;  
Nor dreamed how precious was the way  
We travelled there.

Though each heart knew the past roads, bare,  
Though both hearts guessed where new roads lay,  
We knew not this path anywhere.

But on we went, and oh, that day !  
Still comes its benediction rare ;  
And still we turn to smile and say,  
“ We travelled there ! ”
