The Greatest Labor-Saving Device of the 19th Century

**"PERFECTION"**

I.  
 "I always dread the ironing days,"  
 A tired woman said;  
 "And if I don't soon get relief  
 I'm sure that I'll be dead!"

II.  
 Two little girls were puzzled one day  
 To know what they would do  
 To iron Dolly's dresses out  
 So that they'd look like new.

III.  
 Mamma, however, surprised them;  
 She'd been the day before  
 And bought a "Perfection" Gas Iron  
 And brought it from the store.

IV.  
 The little "Tots" were delighted;  
 "It's just the thing," said they;  
 "It's not a bit of trouble  
 To iron with it all day."

V.  
 No more sweltering over stoves;  
 The old way's a thing of the past.  
 So simple a child can use it—  
 Relief has come at last.

For sale by all  
 first-class dealers.
