ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub wakes as bright as a button. It is very pleasant to use. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

25 YEARS.

MR. WILLIAM PAVEY, Woodstock, Ontario, writes: "I have used WISTAR'S BALSAM OF WILD CHERRY for the last twenty-five years, and have found it a never failing remedy for all diseases of the lungs. I would strongly recommend it to all persons with weak lungs, or inclined to consumption."

JOHN J. HALL & CO., Druggists in the same place, write: "This is to certify that the above testimonial of Mr. Pavey we consider a very valuable one, on account of the writer's reputation and good standing in this community. He tells us that he cannot speak too highly of the virtues of the Balsam, and was pleased to have an opportunity to testify in its favour. We have no medicine in our store that we think so highly of, and that gives so universal satisfaction."

Have Wistar's Balsam of Wild Cherry always at hand. It cures Coughs, Colds, Bronchitis, Whooping Cough, Croup, Influenza, Consumption, and all Throat and Lung Complaints. 50 cents, and \$1.00 a bottle.

The works, throughout, will be let in Sections. Maps of the several localities, together with plans and descriptive specifications, can be seen at this office on and after MONDAY, the 11th day of JANUARY next (1886), where printed forms of tender can be obtained. Contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and, in the case of firms, except there are attached the actual signatures, the nature of the occupation and place of residence of each member of the same; and further, an accepted bank cheque for the sum of Two Thousand Dollars or more—according to the extent of the work on the section—must accompany the respective tenders, which sum shall be forfeited if the party tendering declines entering into contract for the work, at the rates stated in the offer submitted.

The amount required in each case will be stated on the form of tender. The cheque or money thus sent in will be returned to the respective parties whose tenders are not accepted. This Department does not, however, bind itself to accept the lowest or any tender.

GENTLEMEN,—I believe your scientific combination of two well-known disinfectants, being free from any objectionable odor, will supply a desideratum.

J. P. RUSSELL, M.D. Edinburgh. TORONTO, Sept. 4th, 1885.

I have used the disinfectants of which Permangano-Phenylene is composed for some years and have found them of the greatest value. Messrs. Price, Charlton & Co. have combined them in such a form that their efficacy is greatly increased and highly commendable.
