Manufacturers in all lines of trade, Business Men of all descriptions, Engineers, Electricians, Inventors, Architects, Builders, Artists, Literary and Professional Men and Women in all Conditions of Life, Politicians and Statesmen derive benefit by reading what the Thinkers of the World say. It is impossible for them to excel in their enterprises unless they do. The study of some of the publications included in our Clubbing List in page 48 may supply just the correct ideas or information desired. The most successful business men and women are always those who are diligent students of Current Thought. Read the Clubbing List.
