

Nothing but Dirt is taken away by Pearlina. It won't make black white—it gives you a clean black, instead of a dirty black, that's all. Colors are restored and freshened by it, and look just as they did when new. They are cleaned, but they are never altered or changed. Safety comes first in washing.

The easiest and cheapest way to get things clean safely is to wash them with Pearlina.

Beware Peddlers and some unscrupulous grocers will tell you, "this is as good as" or "the same as Pearlina." IT'S FALSE—Pearlina is never peddled, and if your grocer sends you something in place of Pearlina, do the honest thing—send it back. 363 JAMES PYLE, New York.

That a large majority of the medical profession recommend and prescribe St. Leon Water is good proof of its marvellous power. Nearly every prominent medical expert in this country has endorsed this water.

Rev. Dr. W. B. HUNTINGTON, rector of Grace church, New York city, has ordered a set of chimes for Grace chapel of the Meneely Bell Company. It will be the largest in New York city, weighing in all 11,000 pounds, the largest alone weighing 3,000 pounds.

Common Sense

Should be used in attempting to cure that very disagreeable disease, catarrh. As catarrh originates in impurities in the blood, local applications can do no permanent good. The common sense method of treatment is to purify the blood, and for this purpose there is no preparation superior to Hood's Sarsaparilla.

Hood's Pills cure constipation by restoring peristaltic action to the alimentary canal.
